Guidelines for New Trier Fine Arts Association Summer Scholarships

New Trier Fine Arts Association annually provides merit scholarships to encourage and assist New Trier students enrolled in fine arts classes to continue their study of the arts during the summer. NTFAA believes these studies can and do enhance the classroom experience for all New Trier arts students.

For **Summer 2016**, merit scholarships will be awarded to continuing students taking classes in Art, Dance, Music, and Media, Speech & Theater. Previous Summer Scholarship winners are not eligible. All applications must be received by the application deadline and contain signatures from the student, a parent/guardian, and a member of the Fine Arts faculty.

Scholarship amount will be determined by number of applicants and available funds (up to $500). New Trier Fine Arts faculty review student applications and select scholarship recipients.

Process: Summer Scholarship Applications will be distributed in all Fine Arts classes in January. Applications are due March 1 and recipients will be notified by Spring Break. They will be invited to attend an NTFAA reception in May, where they will receive their scholarship check and briefly share what they will be doing over the summer. The NTFAA Summer Scholarship Application Form is attached.

Scholarship recipients will be asked to make a short presentation describing their experiences to their art class and the NTFAA board during the following school year.

For students selected for Summer Scholarships who need additional support, financial assistance may be available. For more information, contact Anne James-Noonan at jamesnoa@newtrier.k12.il.us. *All NTFAA financial aid conversations and disbursements are confidential.*
