The Kinetic Wellness Department is anchored in the integrated teaching of physical, mental/emotional, and social wellness. We believe in lifelong fitness activity, decision-making/problem solving, interpersonal relationships, and expression and creativity. Our curriculum is grounded by the Center for Disease Control - Six Adolescent Risk Behaviors: fitness, nutrition, mental/emotional health, substance education, sexuality education, and safety (prevention of intentional and unintentional injury).

As a result of their Kinetic Wellness experiences, students will:

- Gain knowledge and demonstrate competency of basic movement and fitness concepts during early high school;
- Apply basic principles of movement and fitness to develop knowledge and skill proficiency through self-selected activities and experiences;
- Understand how group dynamics and cooperation enhance activities;
- Participate in a variety of individual, dual, and group activities to encourage a lifelong habit of movement and wellness;
- Understand the relationship between and influence of culture, media, and technology on wellness;
- Access and evaluate wellness-related resources for self and others;
- Use technology to self-assess levels of fitness;
- Create, implement, and evaluate a personal fitness plan;
- Develop decision-making skills to aid self and others;
- Display a sense of responsibility through personal choices that reflect concern for others; and
- Have had opportunities for self-reflection and assessment of their personal development.

The health education requirement for graduation is met when students pass health segments integrated throughout the freshman year and during the health semester of the sophomore year. All courses in this department except Dance Lab receive elective credit (.25 semester credit).

Kinetic Wellness Courses

Kinetic Wellness 1

OPEN TO FRESHMEN
PREREQUISITE: NONE

Kinetic Wellness integrates health and skill-related fitness and health education concepts into a variety of activities and classroom experiences. The overall goal is to educate students to be well rounded, life-long learners who understand the relationship between a healthy mind and body. Curriculum in the freshman year includes: flag football, tennis, lacrosse, badminton, swimming, weight training, soccer/speedball/ultimate Frisbee, fitness and nutrition, mental and emotional health, first aid/CPR/AED, substance education, and prevention of bullying and harassment. It is within these units that we recognize the impact of exercise on the brain, which helps to reduce stress and increase focus and attention for learning. *Exemptions are not allowed for freshman Kinetic Wellness.*

KW 1/Dance

OPEN TO FRESHMEN
PREREQUISITE: NONE

KW 1/Dance is a yearlong course that integrates kinetic wellness and dance concepts. The kinetic wellness portion of the course integrates health and skill-related fitness and health education concepts into a variety of activities and classroom experiences. The curriculum includes weight training, swimming, fitness and nutrition, mental/emotional health, first aid/CPR/AED, substance education, and prevention of bullying and harassment. The dance portion of the course focuses on modern dance fundamentals that encompass technique, composition, and improvisation, including elements of ballet, jazz, and world dance forms. Students are introduced to artistic criticism and given various opportunities to practice performance skills. Yoga and Pilates fundamentals enhance training. Students alternate between dance and kinetic wellness throughout the year and are taught by both a Kinetic Wellness and a Dance teacher. *Exemptions are not allowed for freshman Kinetic Wellness or Dance.*

Health/Kinetic Wellness 2 or Health/Dance

OPEN TO SOPHOMORES
PREREQUISITE: NONE

Sophomore Kinetic Wellness continues the integration of health and physical activity. The goal of the nine-week Personal Health unit is for students to learn how to be health literate through setting goals, analyzing influences on health, accessing information, self-advocating, and making healthy decisions. The curriculum also includes health components of fitness, including water sports, body image, nutrition, performance-enhancing drugs, sleep, and stress management. The nine-week Sexuality Education unit addresses reproductive health, gender identity, digital literacy, healthy and unhealthy relationships, and consent. *This semester of Health is required for graduation.*

In the other semester, students may choose between Kinetic Wellness 2 (KW2) and Dance. KW2 is designed to improve and develop student knowledge and appreciation of lifelong healthy living. Activities include a variety of team and individual sports, such as softball, tennis, basketball, volleyball, track and field, and floor hockey. Dance includes modern technique, improvisation, and composition. *Exemptions are not allowed for Health/Kinetic Wellness 2 or Health/Dance.*

Adapted Kinetic Wellness: Physical Education Special Opportunities (PESO)

The adapted Kinetic Wellness program has the same objectives as regular Kinetic Wellness with adjustments made to meet the needs and abilities of exceptional students. Adaptations ensure safe, successful, and beneficial participation for all students. Many students in adapted Kinetic Wellness also participate in Special Olympics.

Advanced Health and Wellness

OPEN TO SENIORS
PREREQUISITE: FRESHMAN AND SOPHOMORE HEALTH

This *year-long* course is designed for seniors who would like to pursue health education further for personal and/or professional goals. The curriculum both challenges and strengthens students' awareness of their own personal health and fitness. With a focus on life beyond high school, they learn strategies for both maintaining good health and preventing illness and disease. Guest speakers, current events, mock trials, and community outreach opportunities will be included in the curriculum. In a research-based environment, students will cover topics such as sexuality, substance abuse and addictions, health careers, and fitness, mental health, CPR, and nutrition. *Students enrolled in this course may not be released for seasonal participation on a New Trier athletic team.*

Core and More/Yoga (Early Bird)

OPEN TO JUNIORS AND SENIORS
PREREQUISITE: NONE

This *year-long* course, consisting of two closely-linked semester courses, is built around the concept of total wellness and is designed to address the physical, social, and emotional well-being of all participants. One semester will focus on core strength, flexibility, body alignment, coordination, and concentration through the practice of Pilates-based exercise. The other semester will focus on the Yoga practices of B.K.S. Iyengar and K. Pattabhi Jois. This course meets four days a week for 50 minutes each day, Monday through Thursday. *Students enrolled in this course may not be released for seasonal participation on a New Trier athletic team.*

The Fit Female

OPEN TO JUNIORS AND SENIORS
PREREQUISITE: NONE

This course will present junior and senior students who identify as female with a wide range of fitness activities, such as kickboxing, step aerobics, weight lifting, and cardiovascular routines. Additionally, there are classroom discussions on women's health issues, such as heart disease, breast cancer, nutrition, and self-worth. The overall focus of the course is on incorporating all areas of wellness in order to develop a healthy lifestyle. *Students enrolled in this course may not be released for seasonal participation on a New Trier athletic team.*

KW Leaders 1

OPEN TO JUNIORS
PREREQUISITE: NONE
DEPARTMENTAL APPROVAL REQUIRED

This *year-long* course will provide leadership opportunities within Kinetic Wellness. Junior leaders prepare for their roles as senior leaders by developing communication skills, leadership techniques, and peer teaching skills within activity and classroom units. Students also will learn how to lead warm-ups, teach skill activities, help in adapted KW, officiate, and organize tournaments. In classroom units, students learn how to teach wellness concepts, facilitate discussions, and teach brain compatible lessons. *Students enrolled in this course may not be released for seasonal participation on a New Trier athletic team.*

KW Leaders 2

OPEN TO SENIORS
PREREQUISITE: KW LEADERS 1

After successful completion of KW Leaders 1, seniors lead and teach alongside KW staff members in a variety of courses: regular or adapted high school, middle school, or elementary school KW classes. Leaders are required to attend four quarterly meetings. *Students enrolled in this course may not be released for seasonal participation on a New Trier athletic team.*

KW Team Block

OPEN TO JUNIORS AND SENIORS
PREREQUISITE: NONE
MAY BE REPEATED FOR CREDIT

The activities include but are not limited to: ashtanga yoga, meditation, relaxation, breathing, martial arts, kickboxing, ground fighting, and self-defense skills. *Students enrolled in this course may **not** be released for seasonal participation on a New Trier athletic team.*

The Dance Division

All courses in the Dance Division satisfy the kinetic wellness graduation requirement, with the exception of Freshman Dance 2, which fulfills the graduation requirement for fine and/or practical arts. A freshman dance class taken in addition to a kinetic wellness course may be used as a fine arts credit. Sophomores may elect dance for one semester in place of Kinetic Wellness 2, but they must fulfill one semester of health education.

This is a modern dance-based curriculum integrated with ballet, jazz, and world dance forms. Four levels of dance are offered to accommodate the developmental needs of female and male students.

All courses, with the exception of KW1/Dance (Northfield) and Dance 2 (Winnetka), require a placement audition or teacher recommendation. All courses encompass technical training, improvisation, composition, performance, and critical analysis. Courses in dance also share the essential understandings of the Kinetic Wellness Department and contribute to personal wellness.

Students have a variety of opportunities to participate in co-curricular and extracurricular performances and dance events throughout the year.

Northfield Campus: Any New Trier student may join the *Northfield Dance Ensemble*, which has a culminating performance. All freshmen are eligible to audition original works for *Dance Day Northfield*, held second semester.

Winnetka Campus: *Kinesis Dance Company* (jr./sr. only) presents a winter concert. Interested sophomores, juniors, and seniors may audition their original choreography for *Dance Day Winnetka*, presented during the winter season. *Dance Theater New Trier* (*Dance 3, 4, Menz Dance, and Dance Lab 1 and 2.*) presents the final concert of the year in May. Students in Menz Dance may perform in a biennial concert.

Northfield and Winnetka: All students are invited to participate in the biennial *Spring Fling Dance Thing*, a full day of master classes. Each year a select number of students have additional opportunities to attend state, regional, and/or national dance festivals. Students enrolled in Dance 2, 3, 4, or Menz Dance may be released for seasonal participation on a New Trier athletic team. *Students in Dance Lab 1 & 2, however, may not be released.*
