Dear Parent or Guardian:

New Trier Township High School offers financial assistance for families who qualify in accordance with Board of Education Policy: Waiver of School Fees. Families must meet the thresholds under the 2018-2019 Federal Poverty Guidelines established by the U.S. Department of Health and Human Services. For example, the Poverty Guideline for a family of four this school year is \$46,435. Students may also be eligible for financial assistance due to temporary financial hardship caused by loss of one's home due to fire, unemployment, illness, or other emergencies that create a severe impact on family income levels. Families must complete an application and submit a copy of their filed 2017 federal income tax form to be considered for district financial assistance.

Students eligible for financial assistance may qualify for the following district supports:

- ✓ Free Lunch Program
- ✓ Transportation to school
- ✓ Textbook Loan Program
- ✓ Registration Fee Waiver
