---

Dear Parent or Guardian:

New Trier Township High School offers financial assistance for families who qualify in accordance with Board of Education Policy: Waiver of School Fees. Families must meet the thresholds under the 2017-2018 Federal Poverty Guidelines established by the U.S. Department of Health and Human Services. For example, the Poverty Guideline for a family of four this school year is \$45,510. Students may also be eligible for financial assistance due to temporary financial hardship caused by loss of one's home due to fire, unemployment, illness, or other emergencies that create a severe impact on family income levels. Families must complete an application and submit a copy of their 2016 federal income tax form to be considered for district financial assistance.

Students eligible for financial assistance may qualify for the following district supports:

- Free Lunch Program
- Transportation to school
- Textbook Loan Program
- Registration Fee Waiver
