

**New Trier High School  
New and Transfer Family WELCOME!**

Welcome! Greetings and welcome to the New Trier community. We are glad to have you.

As part of the New Trier Parents Association, we serve as the New & Transfer Family liaisons. Our sole objective is to help you and your family acclimate and adjust to our high school community.

We encourage you to share your contact information as suggested below and return it to Molly Ottolini, Department Assistant to the Principal and the Parents Association, when you register. This will include you and your family in new family events and allow us to contact you directly if you have any questions. We stand ready to help you and your family with any school, activity and general questions. We know that moving is stressful and sometimes overwhelming, and we are here to help.

Thank you for your consideration. We hope you opt to share your email or phone number with us, and we will follow through accordingly!

Welcome to New Trier High School. We both look forward to meeting you.
