4/9/18	FOIA18-017	Please provide all financial information for the Athletics Program at New Trier. I am particularly interested in ALL team sports. I am not sure if you consider those part of the curriculum, or "special" or have some other term for them, but those are my focus, not the KW classes that are part of the school day. I want to see typical GAP information, i.e., specific expense detail in clearly defined categories, i.e., not simply "transportation". I want the detail for EACH TEAM. Again, I don't want just "equipment" or "coaching" for all teams rolled up. In addition, I would like to see what the source is for the funding for the teams, e.g., property taxes, donations, student fees, specifically what else. Lastly, I would like to know what percentage of the student fees are allocated to the athletic program and the teams. To be clear, I want the information for EACH of these teams: Cheerleading, Cross Country, Golf, Boys Soccer, Football, Field Hockey, Girls Swimming, Girls Tennis, Girls Volleyball, Rowing, Basketball, Bowling, Boys Swimming, Fencing, Gymnastics, Track, Wrestling, Badminton, Baseball, Bass Fishing, Lacrosse, Boys Tennis, Boys Volleyball, Girls Soccer, Softball, Track, Water Polo.	4/13/18 4/23/18	Extended Closed

In addition, please identify how many students participate or participated in the following sports this year: Cheerleading, Cross Country, Golf, Boys Soccer, Football, Field Hockey, Girls Swimming, Girls Tennis, Girls Volleyball, Rowing, Basketball, Bowling, Boys Swimming, Fencing Gymnastics, Track, Wrestling, Badminton, Baseball, Bass Fishing, Lacrosse, Boys Tennis, Boys Volleyball, Girls Soccer, Softball, Track, Water Polo. I specifically request but do not limit my request to, if available, any data regarding the number of individuals screened; the number of individuals allowed entry; the number of individuals denied entry; the number of individuals falsely denied entry ("false positives"); the number of individuals falsely allowed entry ("false negatives"); the delay encountered in discovering any "false positives" or "false negatives"; system uptime and downtime; and any other information available that describes the function and reliability of the system since its inception. Please note that system uptime and downtime would include the failure of any component necessary to the proper function of the "identity system", whether or not that component was provided by the private vendor. In reply, the District provided a large number of documents, but redacted the names of the individuals that were responsible for those correspondences. This matter was considered by the Illinois Public Access Counselor ("PAC"), and a non-binding opinion (PAC 46850) held that the names of the individuals were properly withheld under 140ILCS 7(1)(c). I believe that the PAC did not appropriately consider this matter, and reached an erroneous conclusion, in part, because of the sheer volume of documents provided.
