Lastly, I would like to know what percentage of the student fees are allocated to the athletic program and the teams. 5/14/2018	FOIA18-027	On February 27, 2017, I requested correspondence that New Trier Township High School District 203 ("District") had received in regards to the "All School Seminar" that took place on February 28, 2017. In reply, the District provided a large number of documents, but redacted the names of the individuals that were responsible for those correspondences. This mater was considered by the Illinois Public Access Counselor ("PAC"), and a non-binding opinion (PAC 46850) held that the names of the individuals were properly withheld under 140ILCS 7(1)(c). I believe that the PAC did not appropriately consider this matter, and reached an erroneous conclusion, in part, because of the sheer volume of documents provided. Therefore, I request that the District provide me a copy of the attached correspondence, which includes the author's name. Clearly, the author's private email should be withheld.	5/18/2018	Closed
