

September 2017

To the Parents / Guardians of the Class of 2021:

Now that our freshman students have had the opportunity to experience the academic climate of high school, to become acquainted with their teachers and advisers, and to form new relationships, we would like to give you the chance to do the same. We cordially invite you to attend **Freshman Go-To-School Night** with your son or daughter on **Thursday, October 5, 2017**. There will be no classes for freshmen on the Northfield Campus during the school day. Instead of meeting during the day, school will be in session from **6:00 p.m. to 9:10 p.m.** for freshmen and their parents and guardians. This evening is a wonderful time for you to attend classes, meet your child's teachers, and attend your child's adviser room. You will follow your child's regular school schedule. Study hall periods will not be attended. Please enjoy refreshments near the library or cafeteria during study hall or lunch.

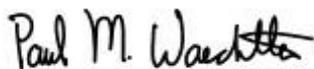

Although this event takes place in the evening, October 5 is a **required school day** for all freshmen. Because students are excited to share their daily experience with you, it may be difficult for them to attend this evening alone. If you are not able to attend, perhaps an adult relative or friend could be your substitute.

On the Winnetka Campus, a normal school day will be in effect. Freshman students commuting to Winnetka for a class are highly encouraged to attend that class during the day. Commuting students who are unable to attend should notify their advisers.

Included in this mailing is a schedule for the evening and a copy of your child's program of classes. You will need the program to find your son or daughter if you arrive at school after the evening has begun. If there are any lost parents, students, or schedules during the evening, please come to the 2nd floor of the B Building – Campus Administration Office. We will be available throughout the evening to assist you.

Parking will be at a premium this evening. If possible, try to come together as a family in one vehicle. The Happ Road lot west of the school, the lot south of the E building and the two lots east of the C building off Frontage Road will be available for parking. In addition, parking is available off the Frontage Road entrance, behind the B Building.

We are looking forward to having you as our guests on October 5th!
Sincerely,

Paul M. Waechtler
Principal
Northfield Campus

Gail N. Gamrath
Assistant Principal
Northfield Campus
