

NEW TRIER TOWNSHIP HIGH SCHOOL DISTRICT 203

To commit minds to inquiry, hearts to compassion, and lives to the service of humanity.®

November 21, 2016

Dear Parents and Students of the Class of 2021:

The registration process for New Trier High School begins with a series of meetings for both parents and students. In January, we invite our incoming parents and students to participate in our **Academic Life Nights**, important kickoff meetings where you will receive information to help your student select classes for next year, meet our academic leadership personnel, and have an opportunity to ask questions about our program at the Northfield Campus.

The meetings begin with a general session in the **Cornog Auditorium**, located in Building E at the Happ Road main entrance to the Northfield Campus. The general session will be followed by an academic fair in the student cafeteria where representatives from each department can answer questions about the curriculum. The Academic Life program will be repeated at four different sessions; due to the limited seating in our auditorium, we highly encourage you to attend the session to which you have been assigned alphabetically by last name. Packets containing registration materials will be arranged in alphabetical order in the auditorium lobby. Please allow enough time to pick up your packet before entering the auditorium for the general session. If you are unable to attend your assigned session, please attend one of the other sessions. You do not need to call us to verify this change.

The Academic Life sessions are listed below:

Session 1	Wednesday,	January 4	7:00- 8:30pm	A – E
Session 2	Thursday,	January 5	5:30- 7:00pm	F – L
Session 3	Thursday,	January 5	7:15- 8:45pm	M– R
Session 4	Tuesday,	January 10	7:00- 8:30pm	S – Z

Other documents enclosed in this letter include:

- Parent Profile of Student and Student Information Sheet
Due: December 7th – This can be returned to your sender school or directly to New Trier in the enclosed envelope.

We look forward to seeing both parents and students at the Academic Life meetings in January to begin the exciting transition process. We wish you the best of luck for a very successful eighth grade year.

Sincerely,

Paul Waechtler
Principal

Peter Tragos
Assistant Principal
