Welcome New Trier Parents of the Class of 2021!

2018 Chairs

Terri Lorenz
Karen Tragos

New Trier High School has a long tradition of excellence in education. As part of that tradition, the New Trier Parents' Association (NTPA) and the families of New Trier welcome you to the school community. The next four years will be exciting and challenging. The child you send the first day of freshman year will emerge as a young adult at the end of senior year. This is a journey for both child and parent and the NTPA is here to support you along the way.

2019 Chairs

Sophia Kondos
Laurie Kutsche

The New Trier Parents' Association's mission is to promote connections, provide communication and present opportunities for parents. For a description of the types of activities sponsored by the NTPA and a list of ways we support the students and school community, we have enclosed an organizational brochure and a copy of the Parents Press, a publication mailed to every parent three times per school year.

Your active support - both as a volunteer and as a contributor - is vital to the NTPA's success. Please consider volunteering (see enclosed letter) and, if you are able to make a donation at this time, we would appreciate you completing the form below and returning it in the enclosed envelope with a check made out to 'New Trier Parents' Association' or feel free to donate online at www.tinyurl.com/NTPAdonation (the NTPA is a not-for-profit organization and qualifies for many matching gift programs).
