

*Dear Class of 2021 Parent,*

On behalf of the New Trier Parents' Association (NTPA) we look forward to welcoming you to the Class of 2021 and as the parent of a New Trier Student you automatically become a member of the NTPA--no extra forms to complete!

Every Parents' Association survives through the volunteering generosity of its parents and we are the same. We have a wealth of opportunities to get involved, to suit all interests and time availabilities from a few hours chaperoning a school dance to the Officer roles of Class Co-Chairs and Vice Co-Chairs.

Volunteering with the NTPA offers a fabulous opportunity to learn more about the workings of our school, to meet parents from across the Township and to really be a part of your student's school life at a time when these chances diminish significantly!!

Please volunteer early and often!

We are creating the new Class of 2021 Board in April, 2017. Please contact either of us or take a look at the NTPA website for more information. We look forward to hearing from you soon.

Sincerely

*Claire Hearn and Tika Walsh*

*New Trier Parents' Association Co-Presidents-Elect (2017-18)*
