## SCHOOL DISTRICT ORGANIZATION

### ORGANIZATION FOR INSTRUCTION AND COOPERATIVE AGREEMENTS

#### **Cooperative Agreements**

The Board of Education has the authority to make cooperative arrangements with other school districts, as well as other public and private institutions for the purpose of maintaining or improving the quality of education at New Trier High School. New Trier membership in such cooperatives, as in the case of Technology and Special Education, will only be approved if the School District's educational objectives can better be achieved cooperatively than by independent action. Membership in cooperatives shall be reviewed annually by the Superintendent who shall recommend to the Board continuance or discontinuance of such membership.
