## OPERATIONAL SERVICES

### REVENUE SOURCES

The Board of Education has the authority to levy taxes upon the taxable property in the District in accordance with the legal requirements and limitations established in *The School Code of Illinois* and other laws and in accordance with the needs of the District in meeting standards set by the Illinois State Board of Education (ISBE) and in providing a quality educational program for its students.

Pursuant to the School Code and ISBE regulations, the Board shall file an annual claim for State aid, as well as claims for special State funds for such programs in which the Board elects to participate.

The Board shall also file claims for Federal funds for such programs in which the Board elects to participate. The Superintendent or his or her designee shall be responsible for securing categorical grants when such grants may assist in improving the District's educational program.
