Staff Publishing on the Website

The availability of Internet access in New Trier Township High School District provides an opportunity for staff and students to contribute to the District's presence on the World Wide Web. The purpose of the District's website is to provide information to the local community and the world regarding school curriculum, instruction, school-sponsored activities, athletics and other general information relating to New Trier and its mission.

All District web pages are property of the District and shall be considered closed forums of expression. The District reserves the right to govern web page content in all aspects and to require approval, removal, and modification of web page material. All material placed on District web pages shall be consistent with all relevant state and federal law and shall present a positive image of the District to the public.

The Superintendent or designee shall establish additional requirements and procedures to implement this policy. Employees who create web pages on the District's web site must comply with all additional requirements and procedures implementing this policy. Failure to do so will result in the loss of authoring privileges and/or additional District disciplinary measures.
