INSTRUCTION

SPECIAL EDUCATION

The District shall provide free appropriate public education in the least restrictive environment to all children with disabilities residing within the District, as defined in *The School Code of Illinois* and in the Individuals With Disabilities Education Act residing within the District.

The District shall develop procedures for identification, evaluation, placement, and delivery of services to children with disabilities as provided in the Illinois State Board of Education's Rules and Regulations to Govern the Administration of Special Education. Such procedures shall be filed with the Illinois State Board of Education as required by law.
