## INSTRUCTION

### HOME AND HOSPITAL INSTRUCTION

A student absent from school for more than two consecutive weeks because of health or physical impairment will be provided the services of a certified teacher in the home or hospital. Appropriate educational services shall begin as soon as eligibility has been established with a written statement from a licensed medical examiner and a written parental or guardian request filed in the Director of Special Education's Office.

Instructional time will be provided for a minimum of five clock hours per week on days when school is normally in session. Periodic conferences will be held between appropriate school personnel, parents/guardians and hospital staff to coordinate course work and facilitate the student's return to school.
