## INSTRUCTION

### EXTRACURRICULAR AND CO-CURRICULAR ACTIVITIES

The Superintendent shall submit newly-recommended extracurricular and co-curricular activities to the Board of Education for approval. Board approval is contingent upon the following:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of members and is desired by the student body.
2. Membership is limited to students currently enrolled in the District.
3. Fees must be reasonable and may not exceed the actual cost of operation.

Selection of members or participants is at the discretion of the sponsors or coaches, provided that the selection criteria conform to the District's policies. Students must satisfy all academic standards and must comply with the activity's rules and any student conduct codes.

The Athletic Director and Activities Coordinator are responsible for the scheduling and announcing of student extracurricular and co-curricular activities.

Non-school sponsored student groups are governed by the District's policy on community use of school facilities. (Policy 8.20)
