INSTRUCTION

CREDIT FOR ALTERNATIVE COURSES AND PROGRAMS

With the prior approval of the administration, credit toward graduation may be granted to the student who has successfully completed a correspondence course from an institution accredited by the North Central Association of Colleges and Secondary Schools. Credit may also be allowed, subject to review by the administration and approved by the Board of Education for life experiences and non-formal educational endeavors. Further, credit may be earned by passing proficiency examinations approved for use by the Illinois State Board of Education in accordance with Policy 6-320. An aggregate total of 5 credits towards graduation will be awarded to students for participation in these activities. However, certain exceptions to this credit ceiling may be approved by the Board upon recommendation of the Superintendent.
