ACADEMIC INTEGRITY

New Trier Township High School District 203 is committed to providing an atmosphere in which the values of truth, integrity, personal accountability, and respect for the rights of others are modeled. To this end, the Board of Education prohibits academic dishonesty. Academic dishonesty occurs when students obtain or assist others in obtaining credit for work which is not their own. More particularized definitions of academic dishonesty and various disciplinary consequences shall be set forth in the New Trier High School "Academic Integrity Procedures" as established by the administration from time to time and ratified by the Board. All students shall be subject to those procedures.

The Board directs the Superintendent to notify students, appropriate staff members, and parents/guardians of New Trier students of the District's policy and procedures on academic integrity.
