STUDENTS

ATTENDANCE

Students enrolled in New Trier Township High School District 203 are required by State law to attend each day the school is in session. It is the responsibility of parents/guardians to ensure compliance with the State's compulsory school attendance requirements. Parents/guardians are required to contact the attendance officer, adviser or other school authorities whenever their student will be absent for a valid cause. An accurate attendance record for each student shall be maintained in accordance with the District's procedures.

Class Attendance

The Board of Education requires all students to follow their programs as established by school authorities and to attend classes and study hall as indicated. Students are not to leave the campus during any part of the school day except when authorized to do so.

Identification

Any person on the school premises is required to show identification when requested to do so by any school authority. Students are required to carry New Trier identification cards.
