

“Sub 10 Club” Membership

The “Sub 10 Club” includes all Trevian distance runners that have broken 10 minutes for 3200 meters since the 2007 track season. Listed below are the names of these athletes, the date on which they accomplished this feat, their year in school on that day, and their time. In 2008, a tradition was started in which a navy XC distance jacket was awarded to any new member of this exclusive club.
