

WELCOME TO NEW TRIER & NEW TRIER ATHLETICS

A Quick Facts Guide to Getting Started

DID YOU KNOW? Due to the unique nature of the 2017-18 school calendar, The Fall Athletics Season begins on August 7th for Football & Boys' Golf, August 8th for Girls' Golf, August 9th for Boys' Cross Country, Girls' Cross Country, Boys' Soccer, Cheerleading, Field Hockey, Girls' Swimming & Diving, Girls' Tennis & Girls' Volleyball. Boys' & Girls' Rowing will begin on August 14th.

STEPS TO PARTICIPATE IN THE ATHLETIC PROGRAM AT NEW TRIER

- Obtain a physical from your doctor. The Illinois High School Association and New Trier require a valid physical (or proof of a physical) to be on file with the Athletic Department. **As of July 1, 2012, the IHSA allows a physical to be valid for 395 days from the date it was issued.** If your physical expires during the course of a season, you will be required to obtain another physical before you are permitted to continue to practice or play.

For Ninth Grade Students entering New Trier: All First-year New Trier students are also required to submit a valid physical as part of their registration at New Trier. A record of those completed physicals is shared with the Athletic Department. First-year students who have completed and submitted their physical in this manner need only to sign the parent/guardian portion of the Athletic Physical and Parent Consent Form and submit that document to the Athletic Office.

- Have your doctor and parent sign the New Trier Athletic Physical and Parent Consent Form available on the main Athletic web page. This form must be signed once per school year by the parents or legal guardians of every participant.
- The form must be delivered to the Athletic Office at New Trier's Winnetka Campus (Room 214) or Northfield Campus (Room F111). If delivery of the completed form occurs more than one week in advance of your season, your name will be electronically added to your coach's list of eligible participants. If you deliver the document less than one week prior to the start of your season, you may be given a hard-copy "Permit to Participate" form to carry to your initial practice. No student will be permitted to take part in any aspect of a New Trier interscholastic sport without completion of the form.
- For each successive season you wish to participate in a sport at New Trier, you must declare your intent/interest to the Athletic Office. Each New Trier student, upon sharing their intent to try out by visiting the Athletic Office will be placed on the pre-season coach's list of eligible participants or given a hard-copy "Permit to Participate" form to carry to your initial practice. As long as your physical remains valid, you will be eligible to attend practice or engage in the try-out process.
- If you intend to participate in a New Trier interscholastic sport, club or activity in which the squad may be limited in size, you should consider the following information in advance of the try-out. Although New Trier strives to provide the widest array of opportunities for students, we are sometimes required to limit the size of squads due to a variety of factors. It is possible that you may not make the team:
 - If you are not selected for the team on which you wish to play, you may wish to take any or all of the following steps:
 - Speak to the coach of the team about other opportunities to work within the program, be it as manager, statistician, filmer, in computer operations or a variety of other important positions that may be available on any team.
 - Immediately contact the Head Coach of any program in your season that does not have squad size limitations. Speak to the coach about your interest in participation.
 - Review the list of New Trier intramural offerings and consider joining or forming a team to compete in that season's intramural activities
 - Speak to an athletic administrator at New Trier to seek advice and solicit information.
 - Consider advancing your skill in any sport of your interest through participation in a municipal, park district or other recreational program.
 - Investigate the more than one-hundred fifty clubs and activities offered through the Activity Office at New Trier.

More information can be found at www.newtrier.k12.il.us.

PARTICIPATION IN ATHLETICS FOLLOWING HIGH SCHOOL: COLLEGE RECRUITING

The college recruiting process can be complex and should begin by taking the following steps:

- Consult the NCAA to determine how NCAA rules, obligations and standards may apply to you. You can learn more about the NCAA and recruiting regulations at www.eligibilitycenter.org.
- Determine through examination of your own transcript which institutions of higher learning meet your academic profile. Seek support and information from the Post High School Counseling at New Trier High School.
- Contact the Head Coach of your sport to determine what additional steps you should be taking to learn more about intercollegiate athletics and the recruiting process in your sport.

THE MOST FREQUENTLY ASKED QUESTIONS ARE:

Q: What do I need to do if I want to tryout or participate on a school team?

A: FOLLOW THESE 3 STEPS:

1. Go to the athletic office to check if you have a Physical & Parent Consent Form on file.
2. If so, you may receive a Permit to Participate, if not see the next question.
3. Report to the tryout on the appropriate date and time. Give the Permit to Participate to the coach.

Q: What is a Physical & Parent Consent Form and where can I get a copy?

A: A New Trier form signed by a physician and parent/guardian that the athlete has medical and parental clearance to tryout for a team. A Physical & Parent Consent Form is included in each summer's registration packet sent to all New Trier families. The form is available in the athletic office or can be downloaded at: <http://www.newtrier.k12.il.us>

Q: Where do I turn in my Physical & Parent Consent Form?

A: Physical & Parent Consent Forms should be submitted to either athletic office during the school year and the Winnetka Campus athletic office during the summer. You may fax the form to 847.446.8247.

Q: How often will I need to submit a Physical & Parent Consent Form?

A: Annually.

Q: What is a Permit to Participate?

A: A New Trier form indicating the athlete is eligible to tryout for a sport.

Q: How do I get a Permit to Participate?

A: Check with the athletic office on either campus. Athletic personnel will check your physical date and if current will add your name to a list of eligible participants.

Q: What if my physical date is not current?

A: You will need to get an updated Physical & Parent Consent Form. (requires a physical exam)

Q: Do I turn in my updated physical?

A: No, you only need to turn in your physician signed Physical & Parent Consent Form.

Q: If my physical expires before the end of my season what should I do?

A: You will need an updated physical prior to that date in order to continue to practice or play.

Q: When is the best time to get a physical?

A: We encourage families to get physicals during the summer months.

Q: How many times will I need to get a Permit to Participate?

A: You will need to acquire a Permit to Participate for each sport season.

Q: If my son/daughter doesn't make a team can he/she go out for another sport during the same season?

A: A student not selected for participation on a team, may participate in a non-squad size limited sport. The student must report to the coaches of that sport immediately. This option does not apply to track and field. Please consult the head coaches in those sports for tryout policies.

Q: How do we find out about tryouts (dates)?

A: We list starting dates in this brochure. There will be signs and announcements in school prior to the start date of each sport season. Your son/daughter may contact the coach, the athletic department or our Web site at: <http://www.newtrier.k12.il.us>

Q: When can we see the athletic trainers?

A: During the lunch periods and after school at both Northfield and Winnetka.

Q: How significant of a commitment is participating in interscholastic athletics?

A: Teams will practice or compete each day, including many Saturdays. You can count on a six day a week commitment.

Q: Can our family go on vacation during the sports season? If our son/daughter does go on vacation, are they penalized?

A: Our programs do practice and/or compete in contests during winter and spring break. Those going on vacations may miss competitions after they return because some have earned and deserve the opportunity to play while others were gone. You should try to schedule your vacations around your athletic season. It is very important to communicate in advance and directly with the coach regarding any vacation plans.

Q: Do all New Trier teams practice on campus?

A: No. We utilize the following sites: the Winnetka Campus, Northfield Campus, Duke Childs and Fox Meadow Fields, Winnetka Golf Course, Nielsen Tennis Courts and Dammrich Rowing Center. Specific site information will be made available prior to the start of each season. Shuttle buses are available to each site for practice or competition. Transportation home is the family's responsibility.

Q: If my son/daughter is ill and at home during the day can he/she come to school just for practice or competition?

A: No. If a student is too ill to come to school, then it's not appropriate for him/her to be here for practice or competition unless they are in school by the 4th period and stay for the remainder of the school day.

Q: If my son/daughter is injured and can't participate, are they expected to be at practice/contests?

A: Yes. They are a part of the team. There is always something to be learned from attending and though injured, the student has a role and responsibility with the team.

Q: Whom do I contact if I have any questions?

A: General questions regarding athletics should be directed to Athletic Director Augie Fontanetta, Assistant AD Jim Burnside or Athletics Coordinator Paul Moretta. For sport specific information please contact the head coach.

NEW TRIER ATHLETIC TEAMS & CONTACT INFORMATION

At New Trier the goals of the interscholastic athletics program are to provide participation opportunities when facilities and staffing can sustain those opportunities and to promote both positive sportsmanship and the value of competition. New Trier Athletic programs will provide an experience that fosters an emotional, physical and intellectual foundation for growth and well-being. The New Trier institutional motto, "to commit minds to inquiry, hearts to compassion, and lives to the service of humanity..." is a reminder that these programs provide a direct connection to the quality of our students' educational experiences now and in the future.

Interscholastic programs offered through the Athletic Department share common characteristics; a defined length of season, daily practices during the season that include Saturdays, competition against other schools and observation of both Illinois High School Association (IHSA) eligibility standards and the behavioral standards of New Trier High School and the New Trier Athletic Department. You can read more about the IHSA at www.ihsa.org and about the New Trier Extra-Curricular Code of Conduct at <http://www.newtrier.k12.il.us>. *In cases where a squad size limitation exists, that team is marked below with an asterisk. The number of athletes in that entire program in 2016-17 is listed in the column marked as "**Squad Limits." This number is not fixed but does represent generally the number of individuals the program has been able to accommodate in past seasons. Please feel free to contact any of the Head Coaches listed below with specific questions about team expectations, the try-out process and other opportunities that may exist within their programs.

YOU CAN ACCESS NEW TRIER HIGH SCHOOL ATHLETICS FROM TWO WORLD WIDE WEB SOURCES.

Select <http://www.newtrier.k12.il.us>

From that Athletics Page, you can:

- Contest updates and alumni news can be found on twitter @AthleticsNTHS
- Access all official New Trier Athletic Department Forms
- Team websites
- View weekly schedules and obtain directions to New Trier and Away competition sites
- Learn about the New Trier Booster Club
- Read Department-wide news and information.
- View an Athletic Department Handbook
- Read about the history and development of the New Trier Athletic Mission Statement
- Obtain Contact information for the New Trier Athletic Department Staff
- Get access to the online version of this document, "NT Athletics Quick Facts"

Or

Select <http://www.trevianschedule.org>

From this official **New Trier rSchool™** scheduling page you can:

- See schedules by team and level
- Sign up for real-time notifications of changes in the schedule sent to your e-mail account
- Search any specific day during the school year for athletic events
- Engage in searches for athletic scheduling information based on sport, site, home/away, etc.

NEW TRIER ATHLETIC DEPARTMENT

The New Trier Athletic Department oversees thirty-five individual sport programs through its management of thirty-three interscholastic sports, one club and one activity program. One-hundred sixty-five coaches staff two-hundred twenty-five coaching positions at New Trier. In 2016-2017, 3,038 seasons of interscholastic competition were completed by New Trier students. The Athletic Department is also responsible for an array of intramural programs conducted under the direction of the Intramural Director and Student Intramural Board. In addition, the Athletic Department supports the work of the New Trier Booster Club in conducting other intramural activities offered at New Trier.

ILLINOIS HIGH SCHOOL ASSOCIATION

New Trier High School is a voluntary member of the Illinois High School Association (IHSA) and runs its athletic programs in conjunction with IHSA By-Laws and policy. The IHSA is a charter member of the National Federation of High Schools (NFHS). The IHSA regulates 15 sports for boys, 15 sports for girls, and eight co-educational non-athletic activities. More than 760 public and private high schools in the state of Illinois are members of the IHSA. The Association's offices are in Bloomington, Illinois. You can learn more about the IHSA at www.ihsa.org.

CENTRAL SUBURBAN LEAGUE

New Trier is a member of the Central Suburban League (CSL) Conference. The CSL is divided into two divisions. Divisional alignment is determined by enrollment and adjusted every two years, if needed. The North Division for 2017-2018 consists of Deerfield, Glenbrook North, Highland Park, Maine East, Maine West and Vernon Hills and the South Division for 2017-2018 consists of Evanston, Glenbrook South, Maine South, New Trier, Niles North and Niles West.

Ice Hockey operates independently and has no direct affiliation with New Trier High School or the New Trier Athletic Department. Questions regarding hockey should be directed to the New Trier Hockey Club at www.newtrierhockey.com.

Rowing is a club for boys and girls offered through the New Trier Athletic Department.

Bass fishing is a IHSA sponsored activity offered through the New Trier Athletic Department.

SUMMER PROGRAMS

New Trier hosts a variety of athletic programs during summer school. For registration information visit us at <http://www.newtrier.k12.il.us>

BOOSTER CLUB

The New Trier Booster Club supports and encourages the athletic activities of New Trier High School student-athletes. It also provides moral and financial support to encourage participation in intramural and athletic activities for the benefit of all students. Numerous opportunities exist for participating in New Trier Booster Club activities. You can help with concessions, Trevian Golf, Trevian Tennis and Spike or Night League. The New Trier Athletic Director and coaching staff recognize the importance and value of the Booster Club's support and commitment and encourage all parents to be a part of this organization. For information visit <http://www.newtrier.k12.il.us>

INTRAMURALS

The Intramural program is closely allied to the Athletic and Kinetic Wellness departments. The three interrelated areas contribute to the overall physical, social and emotional development of each student. The intramural sports program is designed for those with varying degrees of skill and interest. Some programs will be made up of combined grade levels, advisories or individually formed groups across both campuses. Information on all intramural offerings can be found in the athletic office on both campuses. For additional information visit <http://www.newtrier.k12.il.us>.

INTRAMURAL SPORTS PROVIDE:

- Quality use of free time in an athletic setting
- Opportunities to build social relationships in sportsmanship and cooperation
- Group camaraderie and team pride
- Self fulfillment of one's best effort
- Healthy exercise in the spirit of fun, relaxation and enjoyment
- An opportunity for leadership and service for those dedicated toward student welfare

EXPECTATIONS FOR PARTICIPATION IN THE NEW TRIER ATHLETIC PROGRAM

New Trier High School administrators and coaches believe that students who are selected for the privilege of membership on teams should conduct themselves as responsible representatives of the school and community. Because participants represent their school and community, they are expected to maintain high standards of conduct seven days a week, 365 days a year. Student-athletes, their parents and school staff members share the responsibility for adhering to these standards. Everyone plays a role in establishing and maintaining a positive and sportsmanlike image for our school and community.

Athletics are a privilege and integral part of the total educational process. The sound development of the physical capacities of youth can complement and enhance the intellectual, emotional and social development of each student-athlete. These opportunities are useful tools in the achievement of the goals of a comprehensive education. The important goals of the athletic program are to offer student-athletes direction in developing healthful living habits, discipline, leadership, teamwork, sportsmanship, and acceptance of rules and responsibility. Every student selected for the privilege of team membership will be offered the opportunity to practice and participate in contests, relative to their demonstrated abilities, readiness and commitment. Striving for success is a key component of a competitive interscholastic athletic program. While we strive to win as often as we can, we are mindful that how we win or lose tells more about us than the final score. Participants in the athletic program have a responsibility to adhere to the policies established by New Trier Township High School District 203, the Central Suburban League and the By-Laws of the Illinois High School Association.

EXTRACURRICULAR CODE OF CONDUCT

The Extracurricular Code of Conduct (the "Code") applies to all students who participate in voluntary, school-sponsored activities that are not part of an academic class. New Trier offers an extensive and diverse extracurricular program that includes athletic and non-athletic interscholastic teams and competitions, clubs, non-curricular performing arts and leadership positions. The Code seeks to foster the health, safety, and welfare of the participants and requires high standards of conduct and citizenship in order to sustain a sound extracurricular program. The Code also seeks to prevent and deter student use of tobacco products, alcohol, controlled substances, other illegal mood-altering and/or performance enhancing drugs or chemicals, or any substance used to obtain an altered mental state or "high." (from the New Trier Student Athletic Handbook, Available online at <http://www.newtrier.k12.il.us>.)

EXPECTATIONS FOR SPORTSMANSHIP AT NEW TRIER

Good sportsmanship is the attitude and behavior that exemplifies positive support for the inter-scholastic programs of IHSA member schools, as well as for the individuals who participate in these programs. People involved in any facet of New Trier's inter-scholastic programs are expected to demonstrate respect for others and display good sportsmanship. Emphasizing and improving the sportsmanship of our students, athletes, parents and staff is one of our highest priorities. Each coach, student and parent has a role and responsibility to model and teach good sportsmanship. (from the New Trier Student Athletic Handbook, Read more online at <http://www.newtrier.k12.il.us>.)

ACADEMIC ELIGIBILITY AND ITS EFFECT ON PARTICIPATION IN NEW TRIER ATHLETICS

As a member of an interscholastic team at New Trier, students are required to meet two standards of eligibility related to academic performance. They must meet an initial eligibility standard – **requiring students, except for incoming freshmen, to have received credit for passing work in 25 credit hours of high school work during the previous semester (the current requirement is 20 hours.)** A physical education class may be counted as one of the five courses used to earn 25 credit hours, even if the school does not give credit for P.E. New Trier requires students to be doing passing work in 25 credit hours of high school work per week (the current requirement is 20 hours.) A physical education class may be counted as one of the five courses used to earn 25 credit hours, even if the school does not give credit for P.E. This standing is checked on a weekly basis and students who do not achieve this level of performance are not permitted to participate in interscholastic competition until that appropriate standing is achieved. (Read more in New Trier Student Athletic Handbook available online at <http://www.newtrier.k12.il.us>.)

*SOME PRACTICE & CONTESTS MAY BE PLAYED AT THE NORTHFIELD STADIUM OR PLAYFIELDS.

THE NEW TRIER ATHLETIC MISSION STATEMENT

BACKGROUND

The New Trier High School Athletic Department began work in the fall of 2007 to identify the desired outcomes of student participation in the New Trier program of interscholastic athletics. Construction of an “Athletic Mission Statement” that would clarify the outcomes was undertaken by an eight-member Athletic Department Mission Statement Committee formed in October 2007. The Committee concluded its work in May 2008 and the New Trier Athletic Mission Statement was approved in August of 2008. The Athletic Department and School wish to thank the Committee, New Trier Booster Club Executive Committee, SALT, (Student Athletic Leadership Training Class) and members of the New Trier Coaching staff for their support of this process. A complete history of the Mission Statement process can be found at <http://www.newtrier.k12.il.us>.

MISSION STATEMENT

New Trier Athletic programs will provide an experience that fosters an emotional, physical and intellectual foundation for growth and well-being. The New Trier institutional motto, “to commit minds to inquiry, hearts to compassion, and lives to the service of humanity...” is a reminder that these programs provide a direct connection to the quality of our students’ educational experiences now and in the future.

Student-Athletes will demonstrate compassion, responsibility and dedication to their team and teammates as they act with integrity, honor, and an understanding of their role in the school and community. Spirit, loyalty, confidence, self-esteem and enjoyment of the sport are visible components of a positive experience.

The New Trier Athletic Department is committed to providing opportunities that enhance the experiences of student-athletes in their specific sports. The department believes that participation in sport produces lessons that will be used in life as well as in competition: interscholastic and intramural sports promote an awareness of the positive impact of hard work, the value of developing measurable skills, the importance of attending to detail, and the ability to persevere through adversity.

Utilizing a strong work ethic and disciplined judgment, the athlete values team accomplishments above personal achievement. Through consistent analysis and reflection, athletes come to a better understanding of their sport, teammates, and the spirit of competition. *(Approved - August 2008)*
