

THEN & NOW PHOTOS

As in past years, we will feature a section in the yearbook called “Then & Now” featuring photographs of pairs and groups of students when they were young – “Then” – and the same students as seniors – “Now” – posing to recreate the original photo. If you would like to submit a pair of photos for this section of the yearbook, here is how to do it:

INSTRUCTIONS:

1. Get digital copies of the photos you would like to submit
2. Go to www.hjeshare.com and enter school code “60093”
3. Be sure to click on the thumbnails on the left side of the screen one at a time to enter photograph information for each photo you are uploading. (Note: In the space for “Description”, enter “THEN & NOW”)

TIPS:

- The higher the quality of the photos you upload, the better they will look in the yearbook. If the resolution is too low, your photos will not be selected for publication.
- When taking the “Now” photo, try your best to restage the original photo. Creativity counts, and Photoshop is frowned upon!
- DEADLINE is January 31, 2019.
- **Submission of “Then & Now” photos is no guarantee of publication.** *Trevia* will make every effort to publish as many photos as possible, but makes no promises.
