

Peer Helping Application

Peer Helping is a nationally recognized, student based service group. Participation in Peer Helping requires a year-long commitment. We meet 3 times a week during 6th period (Mon/Wed/Thurs) and it is considered a class. Students within the group are divided into small groups with specific goals for each semester. Groups include Health and Wellness Fair, Acceptance, RAK Week, Blood Drive, etc. We adjust groups yearly to adapt to the current needs of our school and student body. Peer Helping encourages students to voice their ideas, take on leadership roles, and participate in school-based service.

FYI

1. You will be able to select Peer Helping in PowerSchool; HOWEVER, - selecting the club does not confirm your acceptance - it will appear as PENDING on your schedule until you have successfully completed the application process and approval has been received from the sponsors. You are responsible for meeting all application requirements and deadlines. Applications are available in the Student Activities Offices on both campuses (Winnetka - W021D / Northfield - C102) and on the Activities page on the school website. Please be sure to have an alternate elective in mind that will serve as your second choice should you not be selected to be a member of the club next year.
2. To indicate your intent to apply, you must submit this completed application by February 16. *Extended deadline (April 6) for applications is an option only if space is still available following the recommended deadline.*
3. Initial acceptance letters will be sent out via advisery on March 21.
4. If accepted, Peer Helping will then appear on your **DRAFT SCHEDULE**. These will be delivered in advisery at the end of April. However, if your club selection conflicts with another course that you have also selected, you must work directly with your adviser to best resolve that conflict.
