

## New Trier Fine Arts Association Student Financial Assistance and Support Application

The New Trier Fine Arts Association is committed to providing financial support to New Trier students participating in fine arts classes and extra-curricular experiences. The two opportunities for support and qualifications for each are outlined below.

**Financial Assistance** is available to students whose families have been approved for district Financial Assistance as determined by the Assistant Principal for Student Programs and Operations. Financial assistance is available to qualified families to cover additional costs associated with school-sponsored trips, excursions, or equipment.

**Financial Support** is available to students whose families are undergoing temporary financial strain and do not qualify for Financial Assistance from the district. Financial Support is available to such families to assist in paying costs associated with school-sponsored trips, excursions, or equipment, provided the family contributes toward the expense to the best of its ability.

**Note to Debate Students:** NTFAA will accept applications for Financial Assistant and Support after the Emery Estate funds have been depleted. Please inquire first with your debate sponsor and/or the chair of the Media, Speech and Theatre department.

**To apply, please provide the information below and return this completed form to Ms. Anne James-Noonan, Performing Arts Coordinator, in Room 012C on the Winnetka Campus or E121 on the Northfield Campus. You may also scan and send the form as an attachment to [jamesnoa@nth.net](mailto:jamesnoa@nth.net).** Applications are accepted year round; however, summer submissions will not be addressed until October after the NTFAA board approves its annual budget.

*All conversations with and disbursements from the Assistant Principal for Student Programs and Operations and the Performing Arts Coordinator are confidential. Under no circumstances will NTFAA have access to student or family information related to financial assistance and support.*

I am a debate student and may be eligible for assistance from the Emery Estate.
