

Teens and Money

Monday, March 18th, 2019 9:00-10:30 AM
C234, Northfield Campus

All New Trier parents are invited to attend

- What are our kids spending money on – lunch at school? Uber? Starbucks?
- How do they pay - debit card? Venmo? cash?
- Do they get an allowance?
- Have a job?

How do we as parents help navigate a financial world that is constantly evolving and seemingly less tangible? Come hear some of the tools and strategies that our students are taught through Consumer Seminar and other curricula, as well as talk with other parents about ideas that have worked for them. This panel discussion will be led by Kevin Kansler and Bob Bollweg of the New Trier Business Education Department.

Sponsored by the

New Trier
Parents' Association
