

The New Trier Parents' Association presents

New Trier 101:

Introduction for incoming Freshman Parents

Tuesday, April 24, 7:00-8:30 PM

Room C234, Northfield Campus

Parents only please

**Learn from the experts –
New Trier parents who have been there before you!**

We invite parents to join Northfield Principal Paul Waechtler and a panel of veteran New Trier parents whose students have participated in a variety of sports, intramurals, clubs, performing arts, student government, and all levels of academics. They will share their experiences and provide tips for helping your student (and you!) successfully transition into New Trier. Topics will include everything from understanding the advisory system, academics and activities to what to do if your student is struggling with a teacher or another student. Bring your questions – short introduction followed by Q&A!

For more information please contact Class of 2021 Program Chairs
