

Literature and Film, Level 3 (W232433)

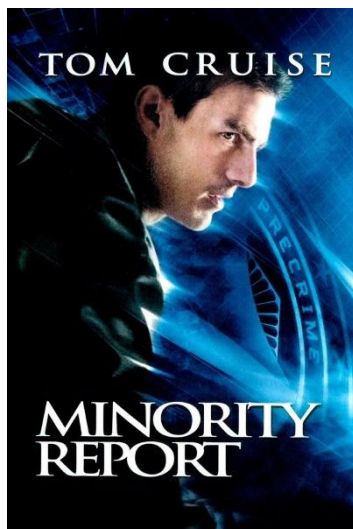

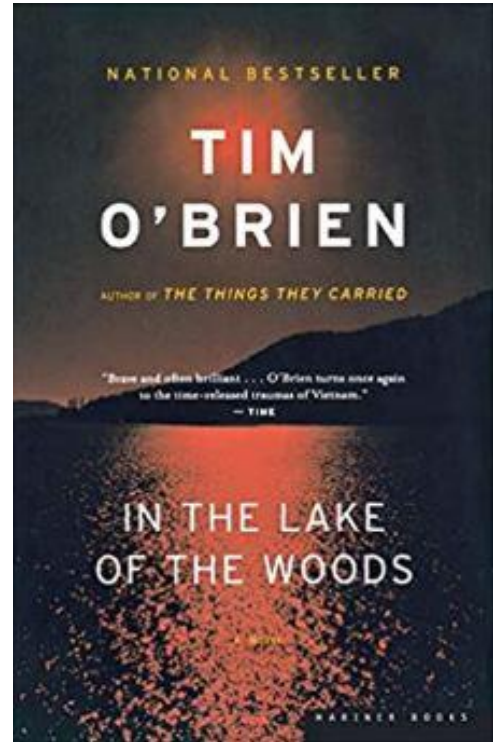

READ and enjoy the following novel before the first day of class:

Title: In the Lake of the Woods
Author: Tim O'Brien
ISBN-13: 978-0618709861

Allow yourselves ample time to complete the reading. (*Special Note: be sure to read the footnotes in the novel. These are an important part of the book.)

Keep the following prompts in mind as you read:

- What does O'Brien accomplish in the sections titled "Evidence"? How do they alter or deepen our understanding of John as a magician, a politician, a husband, and a soldier – of John's public life and his private self?
- Is John Wade guilty?

VIEW the film *Minority Report* (Spielberg, 2002). It is widely available on numerous streaming services, including Netflix.

Have fun and we look forward to meeting you in the fall term.
