This Boy's Life: A Memoir, Tobias Wolff

ISBN-13: 9780802149077

“A jewel-like memoir of childhood in the 1950's....Lucid, bitter, precise, terribly sad: the real-life equivalent of Wolff's acclaimed fiction.” – Kirkus Reviews

“So absolutely clear and hypnotic...that a reader wants to take it apart and find some simple way to describe why it works so beautifully....[It] teaches us something new about the alienated world of childhood.” – *The New York Times*
