

INSTRUMENTAL MUSIC

NEW TRIER

Auditions and Placement

A New Trier teacher will be coming to your Junior High during the months of February through April to hear you play. The purpose of this visit is to meet you and to place you in the appropriate ensemble. Specific dates and times will be announced by your director. If you are not currently playing in a school group please contact one of the teachers listed below to arrange an audition. There is a place for everyone in our Freshman instrumental groups, and additional opportunities exist for advanced players. Please contact one of the teachers listed below if you have questions about any aspect of the instrumental music program at New Trier.

Your Academic Life Packet includes . . .

The *Program of Studies* – see page 93 for more information about the Music Department including a complete list of class descriptions; *All About Electives* – *Frequently Asked Questions*
