

## **NTHS Vocal Master Class Registration**

*Now through Friday, January 18, 2019 for the...*

- New Trier High School Vocal Master Class Festival - Saturday, **February 23, 2019**

We would encourage all students to participate as they can receive invaluable feedback from top professional clinicians from the Chicago area. The more immediate and diverse the feedback that student musicians receive about their singing, the more it helps move that student down the road towards mastery. (Please consult with your private teacher).

We strongly encourage all to participate!

### **1. New Trier High School Vocal Master Class Festival Information**

**Saturday, February 23, 2019** Location: New Trier HS Northfield Campus

Students will participate in a 90 minute master class session where each vocalist will have approximately 10-11 minutes to perform a prepared piece of solo or ensemble literature and be coached by a clinician. We believe this experience will be an invaluable opportunity to further your skill and enjoyment as a musician. We seek out some of the finest clinicians in the Chicago area to provide accurate and insightful comments about your performance. The following information will give you clear directions on what you will need to do to make this experience successful.

Your preparation for this performance requires significant dedication and effort over months. The final performance is open to family and friends. In recognition of each student's unique development as a musician, no ratings or awards will be given. Each solo and ensemble will receive both verbal and written feedback provided by the clinician.

#### **Accompanist**

Each participant will be automatically assigned to an accompanist for the NTHS Vocal Master Class.

It is mandatory for you to sign up for a rehearsal time with your assigned accompanist. The NTHS assigned accompanist fee is \$45.00 which includes a 30 minute rehearsal and the performance.

#### **Performance**

Consult the Schedule for your performance time, location, and warm-up room on the day of the performance. Please provide ample time to warm-up and be at your designated performance room five minutes before you are scheduled to perform.

#### **General Information**

Participation requires regular outside of class rehearsal time. Pieces should be memorized and well-prepared.

**You must provide an original score (no photocopies) for your selection and measures must be numbered.** For solos you must provide an original copy of the SOLO PART only. For ensembles, you must provide an original copy of the SCORE. Photocopied music may be used only in an emergency. The only acceptable instances of an emergency would be when the Music is out of print with no new score available or the Purchased Music copies are backordered.

Please note: entry fees and accompanist fees will not be reimbursed if you should later decide not to participate. There is no required selection for any event; the soloist and their teacher should choose a work that is best suited to their capabilities. Appropriate concert attire is required.

#### **Registration**

- Your registration is secured by making the requisite payment through RevTrak's VOCAL SOLO & ENSEMBLE FESTIVAL 2019:
