

NEW TRIER NEWS

Vol. I

SEPTEMBER 30, 1919

No. 1

CALENDAR

Wednesday, October 1—House of Representatives will meet in the chemistry lecture room (311) immediately after school.

Girls' Glee Club will hold its practice in the music room at 3:15 p. m. Very important rehearsal. All members must be present.

Thursday, October 2—La Cercle Francais will meet in the literary room immediately after school for organization. Meetings will be held every Thursday thereafter. Plans are being made for instructive and entertaining sessions.

First meeting of the Dramatic Club. Room 309 at 3:10.

Soccer game, New Trier vs. Lake View at Lake View.

Friday, October 3—All students are requested to be on the "side lines" to cheer the team in their final practice before the Lane game. Let's have 100 per cent school spirit.

Saturday, October 4—Football, New Trier vs. Lane at 2:30 p. m. Admission at gate 50 cents; student ticket, if purchased prior to date of game, 25 cents. Let's have 800 per cent school spirit!

10:00 a. m.—Soccer game, New Trier vs. Carl Schurz at New Trier.

Monday, October 6—Faculty meeting in the literary room, 3:15 p. m. sharp.

Tuesday, October 7—The Elizabethans will hold their second meeting in the literary room at 3:05 p. m. Suggestions for a successful and pleasant year will be presented by the chairman of the committees appointed last week.

Orchestra rehearsal in music room at 3:15.

OUR DEBUT.

As we make our first deep bow to the public we modestly proclaim our policies, ambitions and apologies for existence. We offer our readers a full-fledged, live-wire newspaper, dedicated to boosting energetically our school, its departments, its activities and its ideals. We come upon the scene as another ardent worker and staunch supporter of every constructive measure, and as such, we pledge ourselves to co-operate impartially with any and all of the school's boosters. May they ever increase in number.

Our chief function is, naturally, the publishing of news, school news, news that will be of deepest interest to every friend and member of the school. We shall endeavor to spread broadcast correct accounts of the school's activities—athletic, dramatic, scholastic. In so doing we are counting heavily upon not only advertising our institution, but also upon creating a more active interest and attaining even better results from the various activities. We intend to make *The New Trier News* one of the leading factors in New Trier's further development. It is designed for the pleasure and profit of us all.

NEW TRIER, 14; ALUMNI, 7.

On Saturday afternoon the Big Black Team opened its 1919 season with a 14-7 victory over the Alumni. Although handicapped by apparent lack of practice, they put up a remarkably fast game and showed unmistakable signs of strength and speed. Their attack, confined mostly to straight football, was fairly smooth and well developed. Their off-tackle plays and cross bucks were particularly effective, the backs showing promising driving power and the forwards considerable skill in opening holes.

For New Trier, Wright and Clore were especially brilliant on the defense. Time and again they turned back the Alumni rushes and frequently converted them into losses. The plunging of Richards, Weinecke and MacLean were the features of our offense.

For the Alumni, Hale, Borgfelt and Moore were the defensive stars, while Ambler and Moore bore the brunt of the attack. Moore's spectacular 50-yard run for a touchdown in the fourth quarter was easily the feature of the game. His forward passes were worthy of special mention also, for these, with Ambler's rushes, were responsible for all of the Alumni's

SCHOOL SPIRIT.

There are many things that enter into the making of school spirit. Not the least of these is a good snappy school paper that is published frequently enough not to need an introduction every time it makes its appearance.

The object of the *New Trier News* is to combine the news and magazine features into one publication. The paper will be published weekly, but during the year special numbers will be featured which will offer every opportunity to the students of New Trier to demonstrate to their friends and to the students of other high schools their agility in the use of the King's English. A medium of this nature is pre-eminently worth while.

One of the chief values of a publication such as the one contemplated is that it will be a complete chronicle of the many events and activities that go to make up the school year. If the various numbers are carefully preserved they may be bound in one volume at the end of the year which will be a comprehensive record or syllabus that will grow in value and will be appreciated more and more as time goes by.

Every high school of any size and consequence in the United States has

EDITORIAL

ESTON V. TUBBS.

In behalf of the student body, The News, as the official organ of the school, wishes to extend the heartiest welcome to our new principal, Eston V. Tubbs. Mr. Tubbs comes to us highly recommended. He needs no recommendations. The short time he has been with us has already shown him to be a man of ideas and ideals, capable, firm and just, not difficult of approach, an enthusiast in athletics, zealous for scholarship, sincere. Mr. Tubbs believes in co-operation—co-operation of principal with students, students with principal. In welcoming him to New Trier, let us pledge to him that co-operation which will make for a finer, a better New Trier.

We wish you, Mr. Tubbs, many pleasant, successful years here.

OUR NEW TEACHERS.

We welcome you to New Trier. Those of us who attended Summer School have already become acquainted with Mr. Glace of the French department and Mr. Warburg of the History department.

This fall the faculty has been increased by the following new members: Mr. Hutchens, to take the place of Mr. Walker as head of the English department; Miss Wright, of the same department; Miss Goodman, to take the place of Mrs. Booz of the Physical Training department; Mr. Rose, instructor in Chemistry; Mr. Duckles, instructor in Spanish. After a year's leave of absence, Miss Casey, has returned to take up her duties as head of the Spanish department.

KAMERADEN.

We welcome, too, our boys returned from service. We appreciate the sacrifices they have made to return and admire their resolve to continue their education. They represent the highest impulse of the world's struggle—an unselfish return to former tasks with renewed enthusiasm despite the discouraging interruptions of the past weary months. Our universities are

filled to overflowing with such men as they, and we are glad to have the chance to help them on their way to these institutions.

ALLONS ENFANTS!

While in the mood of welcoming, we do not forget our Freshmen. As one newcomer to many others, we welcome you. Between us we are going to make things hum these next four years! You are the most important class in school and we the most important newspaper. Shake!

SEASON TICKETS.

We are in the midst of an intensive campaign for selling season tickets for our football games. We aim at the 1,000 mark. It is an ambitious undertaking but means much to us. Every person approached on the subject means another advertisement of our school; every ticket sold means an added friend and supporter. The question of funds is important but not paramount. Help us interest the people of your town in our school, bring them to any of our public performances, constantly remind them of us and the problem of funds will be solved. And yet, with limitless resources, we cannot progress without personal supporters and enthusiasts. Sell more tickets! Get bigger crowds! That means better teams, better school, better results for us all.

(Continued from Page 1, Column 2)

The Black backs marched down the field for touchdown in both the first and second quarters. The retirement of MacLean at the end of the half weakened the offense very noticeably and thereafter the Alumni were able to stop all our efforts before their 20-yard line was reached.

The score is hardly a fair indication of the relative strength of the teams. The Alumni made only three first downs by rushing, their progress being mainly due to their ability to recover their own fumbles after the ball had rolled considerable distances. Their lone score came as a result of a misdirected forward pass, which fell unluckily into Moore's hands and left him practically a clear field. The game in detail:

First Quarter.

Hale kicked off to MacLean, who returned the ball to his 30-yard line. MacLean failed to gain through center. Weinecke also failed to gain through the same place. MacLean

through guard. Richards was thrown for a loss in attempting to skirt right end, but on the next play slipped through tackle for a 10-yard gain. Weinecke made it first down with a 3-yard drive through center. The same player made 14 yards on the next two plays by his powerful plunges through the line, putting the ball on the Alumni's 30-yard line. Richards made 2 yards through guard and 3 around right end, but MacLean failed to gain through guard on the next play. Richards' attempted drop-kick went wide of the uprights and it was the Alumni's ball on their 20-yard line.

Wright threw Moore for a loss and Weld turned back Ambler. Keith fumbled, but recovered the ball after it had rolled to his 8-yard line. Moore punted from behind the goal to Richards, who ran 35 yards for the first touchdown of the season. Wright punted out and Richards kicked the goal as the quarter ended. Score: N. T., 7. Alumni, 0.

Second Quarter.

Richards kicked off to Hale, whom Killen tackled on the 40-yard line. Ambler fumbled and Clore recovered the ball on the 35. Richards' made 2 at end and Weinecke 7 through tackle, but Borgfelt and Hale smothered the next two plays and the ball went to the Alumni on downs.

Ambler made 2 through the line. MacLean threw Moore for a loss and Ambler failed to gain. MacLean blocked Moore's punt and Kuelzow recovered on the 20-yard line.

MacLean plowed through center for 5 yards. Richards added 6 more through tackle, making first down on the 10-yard line. Weinecke plunged through the line for 4, and Richards made the same amount on a cross buck. Borgfelt stopped MacLean a yard behind the line, but Burrows went over on the next play on a quarterback play through guard. Richards kicked the goal. Score: N. T., 14; Alumni, 0.

Richards kicked off to Phalen, who returned the ball 25 yards to the 40-yard line. Wright threw Phalen for a 6-yard loss. Ambler fumbled. Wright stopped Ambler's attempt at center. Moore's forward pass went wide and N. T. took the ball on downs. Richards fumbled on the first play and Calhoun recovered for the Alumni. Phalen and Keith failed to gain. Ambler made 8 through guard, but Clore threw Phalen again on the next play and the ball again went to N. T. on downs. Weinecke plunged through for 7 yards as the half ended.

Third Quarter.

Weinecke took MacLean's place at full, Killen going to half and Yonkers taking Killen's place in the line. Davis replaced Belt at left guard for the Alumni.

Richards' kick off was short, and Borgfelt downed it on his 40-yard line. Moore made a yard around end. Ambler failed at the line twice. Moore's forward pass failed and N. T. took the ball on the 45-yard line. Killen made 5 in two attempts and Burrows and Winecke added 6 more. Hale threw Killen for a loss. Richards made 4, but Winecke failed to make first down on the next two plays, and the Alumni took the ball. Ambler smashed through tackle for 13 yards. Varney replaced Brown at guard. Moore fumbled, but Hale recovered after the ball rolled 8 yards. Moore recovered another fumble 9 yards beyond where it was made. Ambler hit tackle for another 12 yards. Ambler fumbled and N. T. recovered on the 25-yard line. Killen made 7 and Winecke broke through, but fumbled on the 45 line and Borgfelt recovered. Moore made a pretty forward pass to Phalen for 30 yards as the quarter ended.

Fourth Quarter.

Moore made another pass to Phalen for 6 yards. The Black defense stiffened. Wright threw Moore for a loss. Clore dropped Ambler in his tracks. Moore's drop-kick failed. From the 20-yard line Winecke made first down in two line plunges. Burrows and Killen made 10 more. Winecke again drove through the line for first down, bringing the ball past mid-field. Killen made 4 on a cross buck. Killen's long pass fell into Moore's hands and he raced 60 yards for a touchdown. Ambler kicked a difficult goal. Score: N. T., 14; Alumni, 7.

Rand took Burrows' place and Swan went in at right end. Hale kicked to Richards on his 30-yard line. Winecke made 11 yards through guard. Richards and Killen carried the ball to the 50-yard line. Rand made 4 on a trick play. Killen brought the ball past the 40. Hale intercepted a forward pass on his own 15-yard line as the game ended. The line-up:

N. T.	Alumni.
Clore, Swan.....R. E.....	Ickes
Killen, Yonkers..R. T.....	Hale
Brown, Varney..R. G.....	Calhoun
Wright.....C.....	McKenzie
Kerr.....L. G.....	Belt, Davis
Weld.....L. T.....	Borgfelt
Kuelzow.....L. E.....	Stone
Burrows, Rand..F. B.....	Keith

Weinecke, KillenR. H..... Phalen
 RichardsL. H..... Moore
 MacLean, WineckeF. B..... Ambler
 Touchdowns — Richards, Burrows, Moore. Goals from touchdowns — Richards, 2; Ambler. Referee—Mr. Schultz. Head linesman—Kerr.

It is to be remarked that the Big Black Team was without the services of its captain, Kenneth Kerr. He, with Roth and Robbins, is on the injured list, but will doubtless return to the line-up before the Lane game next Saturday. His return will greatly increase the speed and power of the back field and will put the finishing touches on our rapidly developing eleven. Alas! Poor Lane.

SOCCER.

Our soccer team opened its season with two practice games last week. In the first of these we defeated Lake View decisively by a score of 9 to 0, establishing a high score record. In the second game with Carl Schurz High School the team slumped badly, losing 2 to 1. The league schedule of games begins on October 11 and by that time we shall be in shape to stand up under test.

The Line-up.

Goal—Lofdahl.
 R. F. B.—Lusted.
 L. F. B.—Cole, Stachel.
 R. H. B.—Nelson, Doty.
 C. H. B.—Smith.
 L. H. B.—Tucker, Pattison.
 O. R. F.—Black.
 I. R. F.—Kershaw.
 C. F.—Prescott.
 I. L. F.—Bellows, Sherman.
 O. L. F.—Mitchell.
 Goals—Black (4), Kershaw (2), Prescott (1), Bellows (1), Mitchell (1).

1919 Soccer Schedule.

- Oct. 2—New Trier at Lake View.
- Oct. 4—Carl Schurz at New Trier.
- Oct. 11—Morton at New Trier.
- Oct. 18—Oak Park at New Trier.
- Oct. 25—New Trier at U. High.
- Nov. 1—U. High at New Trier.
- Nov. 8—New Trier at Oak Park.
- Nov. 15—New Trier at Morton.

NOTES OF THE MUSIC DEPARTMENT.

The Girls' Glee club has organized and elected the following officers:
 President—Joy Scheidenhelm.
 Secretary and Treasurer—Marjorie Windes.
 Librarian—Katherine Wortley.

(Continued from Page 1, Column 3)

its school paper, and some of the larger city high schools are now publishing dailies. The new weekly will be invaluable as a means of fostering a community of spirit between the school and the patrons of the township. From the very nature of the geography and the distribution of population over the township forces are generated that make intensification of school spirit a difficult matter. Undoubtedly the New Trier Township High School is a very potent factor in drawing our towns and villages together. A first-class school paper will do a great deal to tie both the students and the friends of the school together in bonds that will be stronger than bars of brass and triple steel. New Trier loyalty should and will be greatly strengthened by the newsy publication that is just making its bow to the school and to the community. "As unto the bow the cord is," so may the New Trier News be unto our splendid high school. May the loyalty of the students who come within our gates be so strong that next to being an American citizen we shall treasure the remembrance of being a student of the New Trier Township High School. The New Trier News will be one of the agents in bringing about a fervent New Trier patriotism.

Eston V. Tubbs.

(Continued from Page 1, Column 1)

THE NEWS will appear weekly in its present form, and at its present price. Four special numbers, the Thanksgiving, Christmas, Easter and Senior numbers, will be feature numbers and much more elaborate issues. They will be bound in heavy paper and contain from twenty to thirty pages with appropriate pictures, articles and short stories. The price per copy for these issues will necessarily be higher than that of the usual editions. We offer, however, a yearly subscription, including these special numbers, for \$1.50.

All our issues will be of standard size, with a view to binding the year's edition each June. These bound copies will prove very desirable souvenirs and will serve admirably as a student annual.

Our ambitions are boundless. We propose to become the school's leading booster. We intend to import to every phase of New Trier's efforts an impetus that will sweep us onward irresistibly to our proper place—the nation's best high school.
