The first step in the registration process is establishing residency in the New Trier Township High School District.

Placement Test

A placement test (also called the CTP5) is required prior to course selection for all students. The CTP5 will measure skills in verbal reasoning, quantitative reasoning, and math. It usually takes a full morning, starting at 8:00 a.m., and ending around 12:00 noon.

Scheduling Conference

After all testing and evaluations have been completed, the next step is a Scheduling Conference with an Adviser Chair. You will receive a call from the Adviser Chair or Assistant Principal's offices within days of your student completing placement testing. During this meeting your student will be assigned an adviser and a schedule for classes. You and your student may ask any questions you have about New Trier and our programs at this time.

Scheduling a Tour

New Trier does not offer shadowing days; however, if you wish to schedule a tour you may do so by contacting the Office of the Assistant Principal at 847-784-2216.

Welcome to New Trier!
