General Information

Location

Summer School 2019 classes will take place at both the Winnetka and Northfield Campuses. Please consult this guide to determine the location of your selected courses.

Dates

- January 30 – Registration opens
- March 6 – Registration deadline for academic courses
- June 17 – Summer School begins
- August 2 – Last day of Summer School
- Classes will not meet on Thursday, July 4
- Semester 1: June 17 – July 10
- Semester 2: July 11 – August 2

Summer School Office

Room 215, Winnetka Campus
Phone: 847-784-2241
Fax: 847-835-9694

Summer School Website

<http://www.newtrier.k12.il.us/SummerSchool/>

Registration For Academic Courses

- Registration begins on January 30 and ends on March 6. Courses with insufficient enrollment will be canceled after the March 6 deadline. We will continue to accept registrations for open courses after March 6 until the enrollment reaches capacity.
- Registrants must pay the non-refundable \$50/student registration fee and the entire tuition at the time of registration.
- There are two ways to submit registrations:
 1. Online payment/registration (recommended)
 2. Mail (form at back of this booklet)
- Registration for Summer School courses is not done through PowerSchool.

Health Records

Incoming freshmen and students from other high schools attending summer school must submit documentation of a current physical and immunizations. Please provide documentation prior to the start of summer school. Current New Trier sophomores, juniors, and seniors have already met this requirement.

Phone: 847-784-2110 Fax: 847-835-9852 or scan to healthservices@nthts.net.

Registration for Enrichment and Sports Courses

- Registration begins on January 30 and continues until the opening of Summer School. Courses with insufficient enrollment will be canceled after the March 6 deadline. We will continue to accept registrations for open courses until the enrollment reaches capacity.
- All Enrichment and Sports courses are P/Au (Pass/Audit) courses.

- All other information mirrors that for academic courses.
- These courses are open only to students born on or before September 1, 2004.

Bookstore

The New Trier Bookstore, Winnetka Campus (room W021A), will be open 7:30 a.m. – 4:00 p.m. from June 17 – June 21 and 8:00 a.m. – 2:00 p.m. from June 24 – August 2.

Transportation

Summer school shuttles will run between both campuses, with stops at Duke Childs Field. The shuttles will begin service at 7:35 a.m. at Winnetka and 7:50 a.m. from Northfield. The last shuttle will depart Winnetka at 1:05 p.m. and Northfield at 1:20 p.m. Shuttles will pick-up on Trevian Way even with the North Entrance at the Winnetka Campus and at the flagpole on Happy Road at the Northfield Campus. More detailed information will be shared in spring on the district website.

Schedules

The Summer School registrar will mail student schedules approximately two weeks before the start of Summer School. Students should report to their classes on the first day of Summer School. This will be a full day of classes.

Canceled Courses

The Summer School registrar will phone or email those who requested a course that is being canceled. The target time for this notification is mid-April. If a class is canceled, New Trier will refund both tuition and the registration fee.

Non-District Students

Students who live in District 203 receive first priority for enrollment in Summer School. Non-district students may submit registrations, but they will not receive confirmation of enrollment until after June 1. The registrar will hold tuition checks until enrollment is confirmed. Non-resident tuition is enclosed in parentheses and is located above each course description. **Non-District students should not register online.** Please mail your registration request to the address located on the registration form.

Late Registration

Students who need to repeat a course due to failure in English, Math, Social Studies, or Science may register through the first two days of Summer School. Classes missed due to late registrations are counted as absences. Students may register on June 17 for academic classes that have space.

Refunds

Students may receive a tuition refund for a dropped course through the first three days of a class. The registration fee is non-refundable. Please email summerschool@nthts.net or call 847-784-2241.

Semester 1 refund deadline: 3:00 p.m., June 19
Semester 2 refund deadline: 3:00 p.m., July 15

The three-day deadline also applies to classes that do not fall within the semester framework.

Grades and Attendance

Incoming Freshmen

Grades

All classes will appear on the student's transcript. The student will receive a P (pass, credit earned) or an AU (audit, no credit earned). A student who does not meet the academic requirements of the class will receive an AU grade. Neither grade affects the grade point average.

Attendance

An incoming freshman who exceeds the absence limit for a class will not receive credit and may be dropped from that class. Three tardies to a class will be counted as an absence. Any single tardy beyond 30 minutes will be counted as an absence.

Courses For Entering Freshmen

Algebra 1 (Review)

Baseball: Introductory

Basketball: Freshman (Boys, Girls)

Bowling (Boys, Girls)

Cooking for Teenagers

Cross Country (Boys, Girls)

Dance Workshop (Co-ed)

EL Reading & Writing Enrichment (see course description)

Fencing: Introductory

Field Hockey: Freshman

Film Study

Flame Working Glass

Football: Freshman

Football and Baseball: Freshman

Guitar Making

Introduction to Freshman English

Introduction to High School Mathematics

Journalism Workshop

Lacrosse: Freshman and Sophomore Boys

Lacrosse: Freshman Girls

Photography Enrichment

Reading Enrichment

Soccer: Freshman and Sophomore Boys

Soccer: Freshman Girls

Softball Clinic

Studio Art

Study Skills

Tennis

Volleyball: Boys

Volleyball: Freshman Girls

Wrestling

Writing Workshop

Rising Sophomores, Juniors, and Seniors

Grades

- **Enrichment and Sports Courses:** These courses will appear on the student's transcript with a P (pass, credit earned) or an AU (audit, no credit earned). A student who does not meet the academic requirements of the class will receive an AU grade. Neither grade affects the grade point average.
- **Graded Courses:** Students earn letter grades, as they do in the regular school year. Students may not take these courses for

audit credit. Students must register for Summer School in levels consistent with their 2018-2019 school year placements. Any change in level requires a "Parent Request for Change of Level" form obtained from the Department Chair and submitted prior to the first day of Summer School.

NOTE:

Beginning with the class of 2022, every course that meets 5 times per week will receive 1 credit per year or .5 credit per semester for courses that meet at least 4 hours per day.

Attendance

For attendance purposes, a 1-credit course consists of two semesters, and the attendance rules apply accordingly; i.e., a student may miss no more than 2 days per semester. Three tardies to a class will be counted as an absence. Any single tardy beyond 30 minutes will be counted as an absence.

Absence Limits

- A course that meets 2 hours/day for 3 1/2 weeks has an absence limit of 2 days.
- A course that meets 2 hours/day for 7 weeks has an absence limit of 4 days (2/semester).
- A course that meets 4 or 5 hours/day for 7 weeks has an absence limit of 4 days (2/semester).
- Please note exceptions for Consumer Seminar (Web-based) and Driver Education.
- Absence limits are prorated for classes that meet outside the traditional semester schedule (see course descriptions).
- **All students in Academic courses must be present on the day of the final exam.**

NOTE:

A student who exceeds the absence limit in an enrichment course will not receive credit and may be dropped from the class.

A student who exceeds the absence limit before the drop date for a graded course will be dropped from the class, will receive no credit, and will not be allowed to return to class.

A student who exceeds the absence limit after the drop date in a graded course will receive an F grade and will be removed from the class.

Drop Dates

A student who chooses to drop a graded course must do so before the deadline, or the course will appear on the transcript with a grade of WP (Withdraw/Pass) or WF (Withdraw/Fail).

Semester 1 deadline: June 26; 3:00 pm

Semester 2 deadline: July 22; 3:00 pm

Symbols (All Classes)

- Courses marked * do not meet department requirements for graduation.
- Courses marked ** require the student to accomplish daily what is expected in a week during the regular school year.
- Fr., So., Jr., Sr. – these designations refer to the student's status in the fall of 2019.

Academic Course Descriptions

Courses in this section of the brochure are offered during the regular school year, are considered introduction courses for specific department curricula, and/or earn academic credit. Please review the course description for course specifics.

Business Education

Consumer Seminar**

JUNE 17-JULY 10 OR JULY 11-AUGUST 2 / 8:15-NOON / WINNETKA CAMPUS
.25 CREDIT / \$300 (NON-R \$390) / ABSENCE LIMIT: 2 DAYS

In this course, students acquire an array of skills that promote good personal finance habits and create an awareness of how to secure their financial futures. Careers, budgeting, money management, taxes, credit, investments, housing, transportation, and insurance are just a few topics students will study in this course. This course is faster-paced than the traditional semester course offered during the regular school year. Open to juniors and seniors only. **Missing more than two classes will result in no credit for the course. This course fulfills the state Consumer Education requirement.**

Consumer Seminar: Web-based**

JUNE 17-AUGUST 2 / 8:15-10:00 / WINNETKA CAMPUS
THIS SECTION WILL MEET MONDAY, JUNE 17, JULY 8, AND JULY 29
.25 CREDIT/ \$300 (NON-R \$390)/ABSENCE LIMIT: 0 DAYS

This web-based course offers students an alternative method of instruction to that of a traditional classroom. All assignments, readings, research, and exams will be delivered via the internet. There are significant homework assignments, major projects, and quizzes due each week.

The focus of the course is managing personal finances, with an emphasis on protection from fraudulent behavior, preparation of budgets, understanding credit and financial institutions, and learning purchasing strategies for transportation and adequate insurance.

Students in this course must be organized and work independently. Students will need to navigate the internet using a variety of search engines. Students should be proficient in file management and software applications, including the Microsoft Office suite, PDF Annotation, and Canvas. Access to the internet from home is extremely important, and students should expect to be online for a minimum of 1-2 hours a day.

Open to juniors and seniors only. Students are required to attend three mandatory on campus sessions June 17, July 8, and July 29. These on campus class meetings are critical for students to be successful in the course. Class attendance is mandatory. **Missing any**

of the three required on campus sessions will result in no credit. This class may not be taken concurrently with any other class. This course fulfills the state Consumer Education requirement.

Driver Education

Driver Education**

JUNE 17-AUGUST 2 / 7:00-7:50(LAB) & 1:00-1:50 (THEORY) / WINNETKA CAMPUS
ALLOWS STUDENTS TO TAKE ADDITIONAL COURSE(S) BETWEEN 8:15 AND 1:00.
8:15-10:00 (LAB & THEORY) OR 10:15-NOON (LAB & THEORY)
.25 CREDIT / \$510 FEE (RESIDENTS ONLY)
NO NON-EMERGENCY ABSENCES ARE ALLOWED BECAUSE THE COURSE MEETS THE MINIMUM CONTACT TIME REQUIREMENTS ISSUED BY THE STATE OF ILLINOIS.

Students are provided a different driver education experience during summer months. Students who choose to enroll in the behind-the-wheel portion of this course will experience an accelerated curriculum that requires students to practice driving with a parent/guardian for at least 2 hours a week outside of class.

Driver Education is a three phase program. Students will complete at least 30 hours of theory (classroom) instruction, 3+ hours of behind-the-wheel instruction, and 12+ hours of simulation instruction. Curriculum covers traffic laws and enforcement, driving skills, and responsibility of vehicle ownership. The behind-the-wheel portion develops a student's basic driving skills, techniques, and decision-making abilities while driving. The simulation portion reinforces driving skills learned during the behind-the-wheel portion through the use of real-life scenarios.

The classroom portion of Driver Education fulfills the Driver Education state requirement. Students who register for only the theory portion (classroom) of Driver Education must notify the Department Chair. Students enrolled in theory only will not automatically be offered behind-the-wheel at a later date or be administered an Instructional Driving Permit.

This course is open only to New Trier District 203 resident students born on or before June 17, 2004. Students will receive an instructional permit application 30 days prior to the first attendance classroom session and must have a registered permit card before the first day of class. It is recommended that students begin reading the Rules of the Road book administered by the State of Illinois and complete 1-3 hours of at-home driving experience prior to the first day of class.

English

Introduction to Freshman English*

JUNE 17-AUGUST 2 / 8:15-10:00 / WINNETKA CAMPUS
.5 CREDIT / \$300 (NON-R \$390) (P/AU) / ABSENCE LIMIT: 4 DAYS

This course is for entering freshmen who need practice in the language arts skills necessary for successful work in high school. Emphasis is on language (vocabulary, usage, mechanics), composition (pre-writing and composing with emphasis on the paragraph), reading fiction, and study skills. Open to Fr.

The following courses require English Department approval:

English 1 level 2

JUNE 17-AUGUST 2 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$300 (NON-R \$390) / ABSENCE LIMIT: 4 DAYS

Develop and strengthen your writing, reading, listening, and speaking skills. Focus on basic grammar, elements of fiction, and components of the paragraph theme. A make-up course for one semester of freshman English. Open to So. ONLY.

English 2 level 2

JUNE 17-AUGUST 2 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$300 (NON-R \$390) / ABSENCE LIMIT: 4 DAYS

Strengthen skills in reading for meaning and in composition. Learn to analyze literature for theme and characterization, write clearly and logically by constructing a functional thesis, organize paragraphs for relevant detail, and eliminate common errors in spelling, punctuation, grammar, and sentence construction. Make-up course for one semester of sophomore English. Open to Jr. ONLY.

English 3, first semester level 2

JUNE 17-AUGUST 2 / 8:15-10:00 / WINNETKA CAMPUS
.5 CREDIT / \$300 (NON-R \$390) / ABSENCE LIMIT: 4 DAYS

Study American literature that reflects significant American historical, cultural, and social movements and the unique American vision. Develop expository writing skills using the work of Irving, Poe, Twain, Steinbeck, Miller, and Albee. Make-up for first semester junior English. Open to Sr.

English 3, second semester level 2

JUNE 17-AUGUST 2 / 10:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$300 (NON-R \$390) / ABSENCE LIMIT: 4 DAYS

Learn and practice essential techniques of research and skills of composition. Develop competence in thesis and paragraph construction, selection, and incorporation of evidence to support conclusions, use of transitions to link ideas, and elimination of common errors in sentence construction, grammar, usage, spelling, and punctuation. A series of short papers culminates in a final research paper testing acquisition of skills. Make-up for second semester junior English. Open to Sr.

English 4 level 2

JUNE 17-AUGUST 2 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$300 (NON-R \$390) / ABSENCE LIMIT: 4 DAYS

Practice essential skills in reading for meaning and interpretation, composition, spelling, and punctuation. Focus on recognizing themes in literature, analyzing character, and discovering relationships between literature and your own value system. Independent study projects and presentations complement and reinforce class work. Make-up for one semester of senior English. Open to Sr.

Kinetic Wellness

Health level 8

JUNE 17-JULY 10 / 8:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$300 (RESIDENT ONLY) / ABSENCE LIMIT: 2 DAYS

This course is designed for rising sophomore students who are registered for a full year of dance curriculum during the 2019-20 school year. The Personal Fitness portion of the course addresses health-related fitness, body images, nutrition, sleep, and stress management. The Sexuality Education portion of the course addresses reproductive health and healthy relationships with an emphasis on healthy decision-making. Students who were unsuccessful in completing the course during the school year may also sign up for this course. Missing more than two classes will result in no credit for the course. This course fulfills the state Health Education requirement for graduation. Open to So.

Mathematics

Introduction to High School Mathematics* level 2

JUNE 17-JULY 10 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.25 PASS/AUDIT / \$245 (NON-R \$340) / ABSENCE LIMIT: 2 DAYS

This course is designed to develop study strategies for learning mathematics. Pre-algebra and pre-geometry topics will be included. Although a student heading for Algebra 1, level 3 may benefit from the course, the materials are designed for the student preparing for Algebra 1, level 2. This course is open only to incoming freshmen and is not designed for the student who has completed first-year algebra in junior high school. Open to incoming Fr. only.

Algebra 1 (Review)* level 2, level 3

JUNE 17-AUGUST 2 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.5 PASS/AUDIT / \$300 (NON-R \$390) / ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

Registration for this course requires prior approval of the New Trier Mathematics Department Coordinator. Please contact Don Kim at 847-784-7590 prior to registration. This course is designed for incoming New Trier freshmen who have completed a full year of Algebra 1 in junior high, but were not recommended for placement in Plane Geometry. At the end of this course, the Summer School teacher will determine whether a student shall (1) repeat Algebra 1 in the fall, or (2) enroll in Plane Geometry in the fall. If space remains after placing students described previously, those spaces will be given to incoming freshmen placed in Plane Geometry who feel they would benefit from a review of Algebra 1. Open to incoming Fr. only.

Algebra 1** level 2

JUNE 17-AUGUST 2 / 8:15-NOON / WINNETKA CAMPUS
1.0 CREDIT / \$605 (NON-R \$745) / ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

This course is a full year of first-year algebra. It is designed for students who have previously taken all or part of first-year algebra at the high school level. It is not open to incoming freshmen. Open to So., Jr., Sr.

Plane Geometry** level 3

JUNE 17-AUGUST 2 / 8:15-NOON / WINNETKA CAMPUS
1.0 CREDIT / \$605 (NON-R \$745) / PREREQUISITE: ALGEBRA 1, LEVEL 3
ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

This course is the full year of Plane Geometry. First semester emphasizes the development of geometric concepts using formal proofs. Second semester focuses on the application of algebraic techniques in the study of geometry. The rapid pace of summer work requires students to be highly motivated. Open to So., Jr., Sr. who have successfully completed Algebra 1, level 3, with a grade of at least "B".

Algebra 2** level 2

JUNE 17-AUGUST 2 / 8:15-NOON / WINNETKA CAMPUS
1.0 CREDIT / \$605 (NON-R \$745) / PREREQUISITE: PLANE GEOMETRY, LEVEL 2
ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

This intermediate algebra course is a continuation of Algebra 1, including the solutions of equations, inequalities, and systems. It is designed for students who have previously taken all or part of second-year algebra at the high school level. An emphasis is placed upon understanding relations and functions, including quadratic functions, exponential functions, logarithmic functions, rational functions, and polynomial functions. The unit circle, probability and statistics, series and sequences, and the complex number system are introduced. Students taking this course must have a TI-Nspire CAS calculator. Open to So., Jr., Sr.

Science

All science courses taught during the summer are full-year courses taught during 7 weeks. Students will do the equivalent of a week's worth of class and lab work in school every day and a week's worth of homework every night. Successfully completed seven-week courses earn one year's credit (2 x 0.5 credit per semester). New Trier students have admission priority. All prerequisites apply. Depending on registration requests, some courses may be combined.

Biology** level 2, level 3, level 4

JUNE 17-AUGUST 2 / 8:15-1:00 P.M. / WINNETKA CAMPUS
1.0 CREDIT / \$840 (NON-R \$970)
OPEN TO SO., JR., SR. / PREREQUISITE: NONE
PLACEMENT: BASED ON ENGLISH LEVEL / ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

This laboratory course in life science explains life from the microscopic levels of cells to the interactions of populations and their environment. Biology challenges students to explore a broad range of topics and major themes, including Cell Structure, Function and Processes, Macromolecules, Genetics, Evolution, Taxonomy, Ecology, and Human Anatomy and Physiology (including the dissection of the fetal pig). Discussion on health and disease will also be explored. Lab experiences are designed to develop skills in making observations, gathering data, and being able to critically assess the results. An emphasis will be placed on building conceptual understandings while applying scientific knowledge to real world problems. This course fulfills the graduation requirement for Biology. Tuition includes lab fees.

Biology PCB** level 3, level 4

JUNE 17-AUGUST 2 / 8:15-1:00 P.M. / WINNETKA CAMPUS
1.0 CREDIT / \$840 (NON-R \$970)
OPEN TO JR., SR.
PREREQUISITE: PHYSICS PCB AND CHEMISTRY PCB
PLACEMENT: BASED ON CHEMISTRY PCB LEVEL
ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

This laboratory course is designed to be taken after having completed one year of Physics PCB and one year of Chemistry PCB. The course introduces students to all of the basic concepts found in the regular biology survey course with the enhancement of a better scientific background, allowing for more depth of some topics. Cellular and molecular components of life will be emphasized, along with genetics and evolution. Physiology and anatomy (including the dissection of the fetal pig) will be covered, incorporating a deeper understanding of the chemical and physical aspects of these topics. Ecology, evolution, and genetics also are covered. Discussions on health and disease will also be explored. Laboratory investigations follow the sequence of text material in concept, and several involve a quantitative analysis and interpretation of data. This course fulfills the graduation requirement for biology. Tuition includes lab fees.

Chemistry** level 2, level 3, level 4

JUNE 17-AUGUST 2 / 8:15-1:00 P.M. / WINNETKA CAMPUS
1.0 CREDIT / \$840 (NON-R \$970)
OPEN TO SO., JR., SR.
PREREQUISITE: REQUIRES AVERAGE OR BETTER PERFORMANCE
IN ONE YEAR OF ALGEBRA
PLACEMENT: BASED ON MATHEMATICS LEVEL
ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

In this laboratory course, studies are made of energy and its changes, chemical formulas and equations, stoichiometry, chemical equilibrium, oxidation-reduction, acid-base reactions, atomic theory, concepts of chemical bonding, introductory organic chemistry, the mole concept, properties of all states of matter, nuclear chemistry, periodic laws, and descriptive chemistry. Experimental work is designed to explore these topics, qualitatively and quantitatively. Students will study concepts in depth at an accelerated pace and will be expected to work independently. This course fulfills the graduation requirement for physical science. For students that have successfully completed Physics PCB, completion of this summer Chemistry course would allow enrollment in Biology PCB for the upcoming school year. Tuition includes lab fees.

Environmental Geoscience** level 9, level 4

JUNE 17-AUGUST 2 / 8:15-1:00 P.M. / WINNETKA CAMPUS
1.0 CREDIT / \$840 (NON-R \$970) / OPEN TO SO., JR., SR.
PREREQUISITE: NONE / PLACEMENT: BASED ON ENGLISH LEVEL
ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

This laboratory course is the study of the interrelationships among humans and the lithosphere, hydrosphere, atmosphere, cryosphere, and outer space. Environmental Geoscience addresses several of the most important questions in science: Are we alone in the universe? How did the universe begin? How did life begin (as revealed by the fossil record) and What is the future fate of Planet Earth? The course also explores the processes of nature that shape our environment, creating both valuable natural resources and natural hazards that affect the quality of human life. Furthermore, the course explores how man-made pollution and resources depletion impact our society. Course work includes library research, writing, and classroom presentations. Lab activities may include deep space imaging, stellar spectroscopy, the feasibility of living on Mars, water testing, atmospheric measurements and modeling, plate tectonic and earth structure models, and fossil recovery. This course fulfills the graduation requirement for physical science. Tuition includes lab fees.

Physics** level 2, level 3, level 4

JUNE 17-AUGUST 2 / 8:15-1:00 P.M. / WINNETKA CAMPUS
1.0 CREDIT / \$840 (NON-R \$970)
OPEN TO JR., SR.
PREREQUISITE: ALGEBRA 1 AND GEOMETRY; ALGEBRA 2 IS ALSO STRONGLY ENCOURAGED FOR 3-LEVEL; ALGEBRA 2/COLLEGE ALGEBRA/TRIG IS STRONGLY ENCOURAGED FOR 4-LEVEL / PLACEMENT: BASED ON MATHEMATICS LEVEL
ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

Physics courses have similar content, differing only in the depth of treatment and mathematics used for each topic. This laboratory course includes the study of motion (kinematics and dynamics), energy, waves, electricity and magnetism, light, and additional topics. The ability to apply math models will be developed in this course, with more independent expectations at the 4-level. This course fulfills the graduation requirement for physical science. Tuition includes lab fees.

Social Studies

Modern World History** level 3, level 4

JUNE 17-AUGUST 2 / 8:15-NOON / WINNETKA CAMPUS
1.0 CREDIT / \$605 / (NON-R \$745)
ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

Modern World History examines the past in order to better understand the present. The course is structured both chronologically and thematically, focusing primarily on the history of the 18th, 19th and 20th centuries. Along with the chronological study of those centuries, themes addressed may include the evolution of political systems, military and ideological conflict, colonialism and decolonization, economics and economic theories, rights and revolution and other key intellectual developments of the era. Modern World History seeks to understand the development of a Western model of civilization as well as the development of other societies, in particular, Latin America, Japan, India, Africa, China, and the Middle East. Cultural interaction and connection will be emphasized. Across levels, this course builds the foundational skills of social studies including reading, writing, historical thinking skills, and critical analysis. Prerequisite: World History, Open to So., Jr., and Sr.

United States History** level 3, level 4

JUNE 17-AUGUST 2 / 8:15-NOON / WINNETKA CAMPUS
1.0 CREDIT / \$605 / (NON-R \$745)
ABSENCE LIMIT: 4 DAYS (2/SEMESTER)

This full-year course traces the key historical and cultural development of the American experience from its pre-colonial origins to the present. Students acquire an understanding of American culture by studying the social, economic, and political origins of value systems, the role of geography, and the interaction among the many groups that live in the United States. The course emphasizes such skill areas as evaluation of primary sources, library research techniques, writing, and class discussion. Please note: The 4-level section is not entitled "Advanced Placement" because it does not prepare students

for the AP exam. Prerequisite: World History. This class fulfills the graduation requirement for United States History and both required constitution tests. Open to Jr. and Sr.

Chicago Summer Seminar* level 9, level 4

JUNE 17-JULY 10 / 8:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$300 (NON-R \$390) / ABSENCE LIMIT: 2 DAYS

This course will engage students in a study of the Chicago metropolitan area. Students will gain an understanding of Chicago's history and geography through the use of a variety of resources: readings, examination of primary source materials, field trips, and sessions with guest speakers. After developing a solid background in Chicago history, geography, economics, and politics, students will explore the city's contemporary issues. This course will utilize the city and suburbs as an extended classroom. This is a 3.5 week course. Students will receive one semester of major credit. Open to all students who have completed World History.

Civics** Level 9, level 4

JUNE 17-JULY 10 OR JULY 11-AUGUST 2 / 8:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$290 (NON-R \$385)
ABSENCE LIMIT: 2 DAYS

What are the obligations of a citizen? How can regular people affect change? This one semester civics course will investigate the structures of American government, the democratic process, and the role of the citizen in that process. Students will explore current and controversial issues, engage in simulations, and participate in service learning. Through their studies and activities in this course, students will come to appreciate participation in an active democracy. Content areas include: the Constitution, voting and elections, media, and law-making. This course fulfills the civics graduation requirement. **Prerequisite: World History**, Open to So., Jr., and Sr.

Enrichment Course Descriptions

Courses in this section of the brochure are only offered during Summer School and will appear on the student's transcript with a P (pass, credit earned) or Au (audit, no credit earned). These courses supplement the regular academic program and offer the students the opportunity to upgrade present skills, pursue new ones, or explore an area of interest.

Applied Arts

Cooking for Teenagers*

JUNE 17-JUNE 21 / 8:15-NOON
WINNETKA CAMPUS
.25 CREDIT / \$280 (NON-R \$350) (P/AU) / ABSENCE LIMIT: 2 DAYS

This course is designed for teens who are interested in improving their culinary skills and learning how to prepare popular dishes. Students will learn proper measuring, safety, and sanitation techniques. The following topics are covered: breakfast, sandwiches and salads, fruits and vegetables, meats, breads, and desserts. Open to Fr., So., Jr., Sr. This course does not fulfill the Fine and Applied Arts requirement for graduation. Class limit 24 students.

Guitar Making*

JUNE 17-JULY 10 / 11:30-2:15
WINNETKA CAMPUS
.25 CREDIT / \$375 (NON-R \$440) (P/AU) / ABSENCE LIMIT: 1 DAY

This exploratory course is designed for students interested in designing and constructing their own guitar. During the first week students will be engaged in designing an electric guitar of their choice using 2d and 3d software AutoCAD and Inventor. The second week will consist of students learning CNC software, coding, and how to use various CAD/CAM mills, lathes, and routers. During the final week, students will construct their guitars using lab equipment and modern techniques. Open to Fr., So., Jr., Sr.

Rube Goldberg Extreme Engineering*

JUNE 17-JULY 10 / 8:30-11:15
WINNETKA CAMPUS
.25 CREDIT / \$375 (NON-R \$440) (P/AU) / ABSENCE LIMIT: 1 DAY

This exciting exploratory course incorporates engineering, design, and problem solving skills. Students will work in teams to create a working mechanical design that will use principles of Rube Goldberg engineering. For example, students could create a machine that takes at least 15 creative steps to apply toothpaste on a toothbrush. Rube Goldberg engineering is a learning tools used to create critical thinkers, problem-solvers, and team players. Open to Fr., So., Jr., Sr.

Art

Flame Working Glass*

JUNE 17-JULY 10 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.25 CREDIT / \$335 (NON-R \$390) (P/AU) / ABSENCE LIMIT: 1 DAY

Students will learn how to create beads, pendants, marbles and small sculptures out of glass. With glass rods and a torch, you will melt glass and create lively patterns, textures, and forms. If you like sculpture, this unique course is for you. Limit 20 students. Tuition includes lab fees. This course does not take the place of any New Trier art course. Open to Fr., So., Jr., Sr.

Photography Enrichment*

JUNE 17-JULY 10 / 8:15-10:00 / WINNETKA CAMPUS
.25 CREDIT / \$335 (NON-R \$390) (P/AU) / ABSENCE LIMIT: 2 DAYS

Have you ever wanted to work with in the darkroom with black and white film? Come to this four-week film photography class and learn the basics of black and white image making. Learn how to use the camera, develop film, and print images in the darkroom while at the same time, improve your photographic composition. Learn how to use your own camera or borrow one from New Trier. Tuition includes lab fees. This course does not take the place of Photography I. Limit 22 students. Open to Fr., So., Jr., Sr.

Studio Art*

JUNE 17-JULY 10 / 10:15-NOON / WINNETKA CAMPUS
.25 CREDIT / \$325 (NON-R \$380) (P/AU) / ABSENCE LIMIT: 2 DAYS

This art class is designed for teens who enjoy exploring both 2D and 3D materials. Students will apply their personal vision to their art-making during this four-week course. Tuition includes lab fees. This course does not take the place of any New Trier art course. Open to Fr., So., Jr., Sr.

Career Exploration Courses 2019

June 13-July 2, 8:00 a.m.-12:30 p.m.

You may register for these classes online. Classes are open to current freshmen, sophomores, and juniors (classes of 2022, 2021, and 2020).

Career Exploration Courses are three-week programs that introduce students to challenging careers. They offer students the opportunity to explore a variety of related career options, providing them with realistic perspectives about the skills needed for success in the workplace while emphasizing the connections between academics and careers. The courses incorporate experiential learning activities and field trips focused on careers in specific clusters, affording students the opportunity to talk to professionals in their field of interest. Call 847-784-6850 for more information.

Three classes will meet at Oakton Community College, Des Plaines campus. Daily transportation is provided by NSERVE to and from each district and Oakton Community College for these classes and for all class field trips. Daily bus service in the New Trier district is at the Northfield campus. The Careers in Environment and Horticulture class will meet at The Talking Farm, Skokie. Students must provide daily transportation to and from the Talking Farm; however field trip transportation will be provided by NSERVE. Career exploration courses are open to students from Evanston, Glenbrook, Niles, Maine, and New Trier Townships.

Note:

Students & parents will be asked to attend an evening orientation meeting at Oakton Community College, Des Plaines campus, prior to the classes. The date will be announced in the spring. The courses are scheduled to begin before the last day of school (June 13th). Students may not miss more than 1 day of class.

Careers in Engineering and Nanotechnology*

(P/F) \$225

Explore the exciting fields of engineering, electronics, robotics, high-tech manufacturing, and nanotechnology through labs, team building, and problem solving. Build and program robots, compete with other teams, and observe material properties and nanolithography techniques for work at the nanoscale. Field trips in the past have included Winzeler Gear, Illinois Science + Technology Park, Sandvik, Hydraforce, Big Kaiser, and Avon Products to meet with a variety of professionals in science, technology, engineering and math.

Careers in Business and Law*

(P/F) \$225

Future Entrepreneurs! This class gives an overview of American business today, including first-hand knowledge of entrepreneurship, finance, marketing, management, and legal careers. As a group, students conceive and manage their own entrepreneurial business. This provides opportunity to gain competencies in investment strategies, business processes and planning, communication, collaboration, resource management, and leadership. Past trips have included sites such as Abt, Groupon, Cook County Courthouse, Echo Global Logistics, and Wrigley Field, to meet with a variety of professionals.

Careers in Healthcare*

(P/F) \$225

Healthcare careers are varied, rewarding, and always in demand. Start your healthcare career path by experiencing medical and anatomy laboratories, practicing physical therapy techniques, performing patient assessments, and applying medical ethics in problem solving real-life situations. Travel to a variety of healthcare-related sites, meet with professionals in a wide variety of healthcare careers, and work in a medical simulation lab. Past trips have included Lutheran General Hospital, Northwestern's Feinberg School of Medicine, Glenview Fire Department, and Rosalind Franklin University. Guest speakers may include a physician, physical therapist, physician's assistant, hospice worker, and a veterinarian.

Environmental and Horticulture Careers: Managing Resources for a Hungry Planet*

(P/F) \$225

Do you imagine yourself in a career where you can improve the lives of people around the world and become an environmental steward of our planet? Discover the variety of rewarding, in-demand career paths in the Environmental, Horticultural and Sustainability field, particularly in innovative and sustainable agriculture. Develop critical thinking and problem solving skills while addressing pressing global issues like climate change, environmental degradation and urban food deserts. Gain hands-on farming experience and have fun working daily on our organic vegetable farm. Learn how to harvest, wash, plant, and maintain crops along with principles in soil health, pest management, season extension, and crop planning. We'll explore and visit different agricultural models from large scale conventional, to small-scale organic, to indoor hydroponic and aquaponic systems. You'll be exposed to not only the science involved in bringing food from farm to plate, but to the business and entrepreneurial opportunities within the Environmental field. Guest speakers feature entrepreneurs in sustainable investing, green energy, water, composting, and landscaping. Past field trips have included Loyola University's Institute of Environmental Sustainability, Prairie Wind Family Farm, Golden Oaks Dairy Farm, and Local Foods.

English

EL Reading & Writing Enrichment*

JULY 15-AUGUST 2 / 10:15-NOON / WINNETKA CAMPUS
.25 CREDIT / \$440 FREE FOR CURRENT EL STUDENTS IN NT EL PROGRAM

In reading, students get the opportunity to read a variety of books in English, from novels to textbooks, and work on reading strategies. In writing, students practice a variety of writing forms, from personal narratives to academic reports. This class is for enrichment, to keep students working in English over the summer. The students will not receive high school credit for the class, but they will keep their English abilities improving during the summer.

Film Study*

JUNE 17-JULY 10 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.25 CREDIT / \$245 (NON-R \$305) (P/AU)

This course will look at classic movies from all over the world. Students will view the films and discuss them both in terms of their craft and their application to universal issues. This is a fun enrichment class that will build a foundation for your love of movies with some of the best movies ever made. This course will not substitute for senior elective, literature and film. Open to Fr., So., Jr., Sr.

Journalism Workshop*

JUNE 17-JULY 10 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.25 CREDIT / \$245 (NON-R \$305) (P/AU)

Interested in writing for the newspaper or the literary magazine? Learn basic principles of writing news stories, features, editorials, sports stories, and headlines, plus page layout and the use of computer graphics. Investigate press freedoms and responsibilities and public relations. As a final project, students will publish a typical issue of a high school newspaper. Recommended for freshmen and sophomores interested in journalism and writing.

Reading Enrichment*

JUNE 17-AUGUST 2 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$390 (NON-R \$445) (P/AU)

Appropriate for all levels of reading, this class provides both individualized and group instruction and focuses on strengthening vocabulary, improving comprehension and reading rate, and providing instruction in note-taking, text-marking and test-taking strategies. Reading Enrichment is offered exclusively in the summer curriculum. Limit 22 students. Open to Fr.

SAT/ACT Preparation*

JUNE 17-JULY 10 OR JULY 11-AUGUST 2 / 8:15-10:00 OR 10:15-NOON
WINNETKA CAMPUS
.25 CREDIT / \$245 (NON-R \$305) (P/AU)

Alleviate test anxiety with instruction and practice in English skill areas typically encountered in college admissions exams and verbal achievement tests. Focus on reading comprehension, strengthen your vocabulary recognition, and review English usage and writing conventions. Open to Jr., Sr.

Study Skills*

JUNE 17-JULY 10 / 8:15-10:00 OR 10:15-NOON
WINNETKA CAMPUS
.25 CREDIT / \$245 (NON-R \$305) (P/AU)

This course, designed for incoming freshmen, emphasizes the development of organizational skills, the importance of being an active listener and a contributing classroom participant, and the value of time management. Practice note-taking and text-marking and explore memory strategies and study skills helpful in preparing for objective and essay exams in multiple disciplines. Open to Fr.

Writing Workshop*

JUNE 17-AUGUST 2 / 8:15-10:00 OR 10:15-NOON / WINNETKA CAMPUS
.5 CREDIT / \$390 (NON-R \$445) (P/AU)

Improve your writing skills and expand your experience with different types of writing. Design your own objectives with the teacher's help. Work with a small group of students who have similar objectives. Explore and experiment with the craft of writing in a laboratory setting. Open to Fr., So., Jr., Sr.

Kinetic Wellness

Dance Workshop (Co-ed)*

JUNE 17-JULY 10 / 10:15-NOON / WINNETKA DANCE STUDIOS G012*
.25 CREDIT / \$300 (RESIDENT ONLY) / (P/AU)

Dance Workshop is a great way for dancers of all levels to come together for a rewarding dance experience. This first-semester course explores a variety of styles and teaches students about choreography and dance-making. Dancers will develop their technique and performance skills while learning how to use improvisation and peer feedback to grow as a performer. We will have an informal performance on the last day of the semester for friends and family. This is a great way to make new friends, strengthen your dancing, and learn about the New Trier Dance Program. Open to Fr., So., Jr., Sr.

Sports Opportunities

Courses in this section are P/AU and .25 credit. These courses do not meet the KW requirement for graduation.

Baseball: Introductory

JUNE 17-JULY 26 / 10:15-NOON / \$385 / DUKE CHILDS FIELD

Meet at the Northfield Campus, F Building, for the first day, but after that, the class will be taught at Duke Childs Field. Shuttles are available to and from both campuses. Develop individual skills and basic fundamentals through practice and simulated games. An evaluation of skills will be discussed at the conclusion of the summer. Designed for those who have no high school baseball experience. Taught by New Trier coaches. Open to Fr., So.

Baseball: Sophomore

JUNE 10-JULY 19 / 2:00-5:00 P.M. / \$405 / DUKE CHILDS FIELD

Develop skills through instruction and games. A team will be organized and games played with neighboring schools. Transportation will not be provided. Designed for those who have one year of New Trier High School baseball experience.

Baseball: Varsity

JUNE 10-JULY 19 / 2:00-5:00 P.M. / \$405 / DUKE CHILDS FIELD

Develop individual skills through instruction and games. A team will be organized and games played with neighboring schools. Transportation will not be provided. Designed for those who have played two years of New Trier High School baseball. Taught by a varsity baseball coach. Open to Jr., Sr with Varsity Baseball Coach permission.

Basketball: Freshman Boys

JUNE 17-JULY 12 / 8:15-10:00 A.M. / \$340 / WINNETKA CAMPUS G110

Learn the basic fundamentals of basketball and develop your individual skills. Taught by the basketball coaching staff. Open to Fr.

Basketball: Sophomore Boys

JUNE 17-JUNE 28 / 10:15 A.M.-NOON AND JULY 8-26 / 10:15-NOON / \$360
WINNETKA CAMPUS

This class is for the experienced, competitive volleyball player. Players will learn advanced techniques in team passing, multiple offenses, and team defense. Open to So., Jr., Sr. Sport will not meet July 1-5.

Wrestling

JUNE 17-JULY 23 / 4:00 - 6:00 P.M. / \$315 / WINNETKA CAMPUS

This course includes technical instruction, drilling of technique and live wrestling during each session. Students will learn techniques effective for wrestlers of all ability levels in all disciplines of wrestling: Folk, Freestyle, and Greco-Roman. A large focus of this course will be preparation summer competitions. Coaching at competitions will be provided for summer school students. Cost for transportation to competitions and entry fees are additional. Open to Fr., So., Jr., Sr. Additional weight lifting and wrestling sessions will be offered to all summer school students throughout June and July to prepare for competitions. (Schedule TBA)

Instruction Days: 6/17, 6/19, 6/20, 6/21, 6/24, 6/26, 6.27, 6/28
4:00-6:00 p.m. Winnetka Campus.

Tentative Competition days

Tuesday Night Duals: 6/18, 6/25, 7/2, 7/9, 7/16, 7/23

Tournament Dates: 6/15, 6/22, 6/29, 7/13, 7/20, 4:00-6:00 P.M.
6/28 Summer School Barbeque

Travel Opportunities

All travel opportunities are offered to New Trier students only.

Domestic Travel

Canyonlands Ecology and Wilderness Experience

JULY 8-JULY 20 / .25 CREDIT (P/AU) / \$1,900 (EST. COST)

During this 13-day course, students will study the ecology, geology, and history of the Canyonlands of the American southwest, while completing a wilderness canoe trip. This wilderness experience will allow each student to develop a knowledge and appreciation of the environs while developing skills necessary for successful individual and small-group travel in a rugged wilderness region. Students will study the ecology and geology of the Canyonlands of southeastern Utah, environmental ethics, and historic perspectives as well as participate in a wilderness experience. This two-week course will include an eight-day, 120-mile wilderness canoe trip on the Green and Colorado rivers within Canyonlands National Park, Utah. This experience will also include hiking tour of the Arches National Park outside of Moab, Utah. Open to So., Jr., Sr.

For more information please contact Elizabeth Plank (Social Studies department) at 847-784-6791 or access the trip application on the summer school website.

Summer Study Abroad Programs

Modern and Classical Languages

The Department of Modern and Classical Languages offers summer school courses in three countries. These programs combine travel and study, giving students the opportunity to immerse themselves in the language and culture studied. Summer 2019 student abroad programs will take place in **China, Italy, and Peru**.

For more information about how to apply to these programs, please contact the Department of Modern and Classical Languages at 847-784-6651.

Ethnicity/Race Identification Information

INSTRUCTIONS

This part is to be completed by the student's parents or guardians, and both questions must be answered. Part A asks about the student's ethnicity and Part B asks about the student's race.

Part A. Is this student Hispanic/Latino? (A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.) **Choose only one.**

_____ No, not Hispanic/Latino

_____ Yes, Hispanic/Latino

The question above is about ethnicity, not race. No matter which answer you selected, continue and respond to the question below by marking one or more boxes to indicate what you consider this student's race to be.

Part B. What is the student's race? Choose one or more.

_____ **American Indian or Alaska Native** (A person having origins in any of the original peoples of North and South America, including Central America.)

_____ **Asian** (A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.)

_____ **Black or African American** (A person having origins in any of the black racial groups of Africa.)

_____ **Native Hawaiian or Other Pacific Islander** (A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.)

_____ **White** (A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.)

HOME LANGUAGE SURVEY

The State requires the district to collect a Home Language Survey for every new student. This information is used to count the students whose families speak a language other than English at home. It also helps to identify students who need to be assessed for English language proficiency.

1. Is a language other than English spoken in the home?
Yes _____ No _____ What language? _____ (Home Language)

2. Does your child speak a language other than English?
Yes _____ No _____ What language? _____ (Native Language)

If the answer to either question is yes, the law requires the school to assess your child's English language proficiency.

3. What language is spoken at home the most? _____

4. Was English the primary language of instruction at the student's previous school? Yes _____ No _____

5. For how many years has the student attended schools where English was the primary language of instruction? _____

6. Has the student ever been placed in an ESL/ELL program in school? If so, when? _____
