

September 11, 2020

Dear New Trier Families of the Class of 2023,

We are excited to give our 10th grade students the opportunity to see their new campus and meet with fellow advisees through tours of the Winnetka Campus on **Monday, September 14.**

Tours will be scheduled by adviser room and spaced throughout the day to allow for social distancing. The purpose of the tour is give students an orientation to their new campus and connect them to school and each other. Students may attend regardless of whether they chose the hybrid or 100 percent remote schedule this quarter.

Tours will be led by administrators and are an **optional** activity. Advisers will continue to provide remote opportunities to connect with peers for those students who cannot attend a tour. Freshman students will have the opportunity to tour the Northfield Campus on September 21; freshman families will receive a separate email to register for those tours later this week.

Tour Registration, Drop Off, and Pick Up

You must register your student for the tour in advance. Click [HERE](#) for girls' adviser room registration and [HERE](#) for boys' adviser room registration. You must click on your student's adviser's name, click on the date, click on the time indicated, and then fill out the form and click "book." Tours will last approximately one hour. Please drop off and pick up students at the assigned entrance and times indicated on the form. You will receive an email confirmation with this information.

Health Screening Form and Safety Protocols

Prior to coming to campus, parents must complete the Ruvna Health Screening Form for their student, which will be texted/emailed. Students must present the QR code verifying their parents have completed the form when they arrive on campus. For students who do not have a phone, please email the code to their iPad and make sure they bring their iPad to campus.

Administration and students will follow all health and safety protocols before and during the tour. No one will be allowed on campus without a mask, and we will practice social distancing throughout the tours. Prior to arriving on campus, students and parents must have completed the Principal's Canvas COVID-19 course and signed the *Trevians Care for Trevians* Pledge. This will be available in Canvas this week.

Adjusted Schedule (No Zoom Classes) on September 14

To make sure our sophomores participating in tours do not miss out on class time, we will make September 14 a "Grey Day" at the Winnetka Campus. The Grey Day is

campus-specific; Northfield Campus students will have a regular remote learning schedule that day. All after-school extracurricular activities will proceed as usual.

What does a Grey Day mean for students? It means there will be no synchronous instruction or adviser room or class attendance, but we will maintain the Trevian Day bell schedule so students can schedule appointments with teachers.

On September 14:

- Students will engage in independent learning activities for each class
- Students will attend scheduled meetings or appointments with Student Services staff
- Teachers will post independent learning assignments on Canvas
- Assignments should be no longer than the regular Trevian Day class period and regular homework may be assigned
- Teachers will hold office hours during their assigned class period for students in that class to drop-in

We look forward to safely welcoming our sophomores to campus!

Thank you,

Denise Dubravec

Principal, Winnetka Campus
