

New Trier Placement Testing Procedures and Guidelines

Signage about social distancing and transmission of Covid-19 will be posted around the New Trier facilities.

New Trier's Physical Plant Staff adheres to CDC and IDPH guidance for effective cleaning and disinfecting of frequently touched objects and surfaces.

Students with symptoms or a positive Covid-19 test should stay home and contact Peg Stevens at stevensp@nthsh.net to reschedule the placement test.

Guidelines for Testing Day:

- All students must enter and exit through doors on Trevian Way.
- All students must wear a mask at all times.
- When students arrive on campus they will answer Covid-19 screening questions and have their temperature taken.
- If a student has a temperature above 100.3 they will be sent home.
- Students should go directly to their assigned room (these will be posted inside school entrance) and should not walk around the building.
- Students should maintain 6 feet of social distance from other students and adults.
- Hand sanitizer will be available and there will be wipes to clean off desks.
- Students can use the restroom during testing but can only leave the room one at a time. Students should adhere to bathroom capacity limits.
