SCHOOL YEAR CALENDAR AND DAY

School Calendar

Each school year, as early as possible, the Board of Education will adopt and disseminate a school calendar for the following year. This calendar will be developed in cooperation with the Township elementary sender school districts. Every effort will be made to produce a common school calendar for the Township. The calendar will show the first day of school, the final day of school, all days requiring student attendance, all teacher institute days, winter vacation, spring vacation, all legal holidays and all special school holidays. The school calendar shall have at least 187 days including five emergency days.

School Day

The Board will establish the length of the school day with the recommendation of the Superintendent and in accordance with State law requirements.
