## SCHOOL-COMMUNITY RELATIONS

### PARENTAL INVOLVEMENT

To assure collaborative relationships between students' families and the Board of Education and District personnel, and to enable parents/guardians to become active partners in education, the Superintendent is directed to develop and implement administrative procedures to:

1. Keep parents/guardians thoroughly informed about their child's school and education;
2. Encourage involvement in their child's school and education;
3. Establish effective two-way communication between all families and the Board and District personnel;
4. Seek the advice of parents/guardians on school governance issues and methods to fulfill the District's educational mission;
5. Inform parents/guardians on how they can assist their children's learning.

The Superintendent shall annually report to the Board on the implementation of this policy.
